Sir,

* In submitting the accompanying
* N^o 901, dated 19th letter, with enclosures, from the Pay Examiner

I have the honor to observe that the Resolution
of the Government of India, recorded in P.G.

Letter from the Controller
of Milv. Accts, F, dated
22nd Dec^r 1886.

Encl. thereon by the
City. Dept: No. 104 dated
8th January 1887.

For favour of
remarks.

The case of the
sapper lines at Cotacambú
does not appear to be
analogous to that
of Mount Abuart.

Len

In the latter case, rent for the buildings is paid by military to Provincial, and repairs are carried out from Provincial funds. It was therefore ordered that municipal assessment should be paid from the same source as the rent.

The sapper lines, built from Provincial funds, are occupied free of rent by a military detachment. While so occupied, they should apparently be treated as military buildings, & repairs & assessment charged to the military works grant.

The case would be somewhat similar

to those mentioned in para 2 of your office note No. 576, dated 18th November 1886.

YOUR OFFICE NOTE NO. 100 C. DATED 12TH JANUARY 1887.

IT IS BELIEVED THAT THE SAPPER LINES AT COY WERE BUILT FOR THE ACCOMMODATION OF SAPPERS EMPLOYED ON PUBLIC WORKS, AND THEIR COST WAS THEREFORE CHARGED TO PROVINCIAL FUNDS. AS THEY ARE NOW OCCUPIED PURELY AS MILITARY BUILDINGS, THEY MAY UNDER CODE PARA 1880 VIII(B) BE FORMALLY CLASSED IMPERIAL MILITARY, AND THE COST OF REPAIRS CHARGED TO THE GRANT FOR MILITARY WORKS AS PROPOSED.
