Read—the following papers :—

From G. T. WALCH, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 5th July 1887, No. 890 G.D.

I have the honor herewith to submit a proposition statement of temporary establishment absolutely required in the Godavari Western division. Of the three temporary clerks now asked for, the clerk on Rs. 30 was sanctioned in G.O., No. 1920 W., dated the 19th August 1885, to assist the divisional accountant, and the two clerks were sanctioned in G.O., No. 1561 W., of 21st June 1882; each year fresh sanctions were obtained for their continuance, but their services were dispensed with from 1st March 1887 on the reduction of temporary establishment. Since then trial has proved that without these clerks the offices are getting into arrears both as regards correspondence and accounts, and the Executive Engineer is urgent for their re-employment.
