"Present Scale" of the proposal
statement have been checked and
found correct.

2. With reference to the
proposal for a 2nd. Class draftsman
on maximum pay, there is apparently
no objection to the appointment
of a temporary man to the post
on maximum or any other pay of the
grade sanctioned; but if the post
is to be held by any permanent
servant, his pay must be regulated
by Code rules as to increments etc.
