GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Establishment.

READ—the following papers :—

From Colonel H. R. MEAD, R.E., Chief Engineer for Irrigation, to the Chief Engineer, Public Works Department, dated Ootacamund, 29th July 1887, No. 1480 T.

When the late No. 2 tank division closed on the 28th February last, a large number of estimates in almost a complete form were in hand and had to be put up with the records of the office where they have been lying since.

2. The Executive Engineer now in charge of No. 2 Party, Tank Restoration Scheme, requests that, with the object of helping him to clear off these arrears of estimates, he may be allowed three temporary draughtsmen. I have the honor therefore to request that the sanction of Government may be accorded to three additional draughtsmen being employed for four months in No. 2 Party in addition to the establishment authorised in G.O., No. 1103 W., dated 21st April 1887, the pay of the men, Rs. 30, 25 and 20, respectively, being charged to the savings which will accrue on the items chargeable to "Establishment" under the G.O. quoted above. I would further request that the Examiner may be authorised to pass the salaries of these men from the date of their entertainment.
