

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue, dated 19th February 1887, No. 319 :—

Read—G.O., dated 11th January 1887, No. 22, Revenue.

ABSTRACT.—Reviewing Canal and Ferry Fund budget for 1887-88.

Resolution—dated 19th February 1887, No. 319.

Communicated to the Collectors concerned.

2. *Paragraph 2 of the Government Order.*—The increase under expenditure in Malabar is accounted for in the opening sentence of paragraph 9 of Board's Proceedings, dated 18th November 1886, No. 2510, and is due to the provision made for the payment of Rs. 1,400 to the Cochin Municipality on account of the receipts from the tolls on the Kalvetti canal, the management of which was transferred to the Collector subsequent to the settlement of the budget for 1886-87—*vide* G.O., Revenue Department, dated 14th July 1886, No. 581. The increase in South Canara follows the increase under receipts whereby a larger surplus is made available for transfer to Local funds.

3. The Board are not aware what arrangements have been made by the district Board to pay up their share of the contribution towards the cost of the Kovur-Manjair junction canal. The Collector of Godávári is requested to report upon the point.

4. *Paragraph 6 of the Government Order.*—It is not clear how the cost of supervision, tools and plant for Godávári has been put down at Rs. 3,120. The prescribed percentages for these charges are 23 and $1\frac{1}{2}$ respectively, and on the total estimated outlay for construction and repairs (Rs. 18,500) the charge would amount to Rs. 4,532 and not Rs. 3,120.

Miscellaneous.

Recorded.

	RS.	
1. Purchase of a steamer for the Rajahmundry ferry.	59,540	2. With reference to paragraph 4 of the foregoing Proceedings, Government observe that the percentage charges for establishment and tools and plant are 23 and 1, respectively, and not 23 and 1½, and that they are calculated only on the outlay on works and repairs and not on that on tools and plant (<i>vide</i> sections 1485 and 1487, Public Works Code). The estimated expenditure in Godáviri in 1887-88 is as noted in the margin, of which items Nos. 1 to 3 come under the head "Tools and plant" (<i>vide</i> page 87 of the appendices to the Public Works Code) and are not, therefore, subject to any percentage charges. The sum of the other items aggregates Rs. 13,000 and the cost of supervision and tools and plant on this amount at the prescribed percentages of 23 and 1 comes to
2. Construction and repair of ferry boats.	4,000	
3. Construction and repair of ferry boats for the Kovur-Manjair junction canal.	1,500	
4. Construction of bridges over irrigation canals, &c.	3,000	
5. Landing place at Dowlaishweram	2,000	
6. Construction of Kovur-Manjair junction canal.	4,000	
7. Maintenance and repair of completed portion of Kovur-Manjair junction canal.	4,000	

Rs. 3,120—the figure adopted by Government.

3. It is observed that G.O., No. 319, dated 19th February 1887, contains no paragraph 6.

Government Order, Revenue Department, dated

31st March 1887 No. 353.

Resolution.

In reply to para 2 of the G.O. the

Board observe that in respect of

- * 6. Construction of Koor-mungair items 6 and 7 the Govern-
junction Canal - ment have already sanc-
7. Maintenance and repair of - tioned the charges for tools
completed portion of do - and plant at $1\frac{1}{2}$ per cent.

Vide G.O. dated 1st July 1884 No. 621. I. and
G.O. dated 30th March 1885 No. 336. I. It is
not known whether the provisions of
the Public Works Code quoted by
Government are intended to over rule
sanctions already accorded. The reduced
rate of 1 per cent fixed by the Code

has

has moreover been also raised to $1\frac{1}{2}$ per-
cent in G. O. dated 23^d March 1887 No. 881.W.

2. Of the three items referred to
by Government as falling
under 'tools and plant'
no per-centage charges
for supervision were cal-
culated on No. 1, while
1. Purchase of a Steamer for the
Rajahmundry ferry
 2. Construction and repair of
ferry boats.
 3. Do - - Do for the Hoover.
Munjaer-canal

with regard to Nos. 2 and 3, it seems to the
Board that the percentage should
be calculated, for, although for pur-
poses of classification, boats are
shown under tools and plant, yet,
when the boats themselves are con-
structed by the P. W. D. for other
departments, they should be treated
as original works. The Examiner of
Public Works Accounts will, however,
be requested to favor the Board
with his opinion on this point.

Read the following

Proceedings of the Board of Revenue H. E. No. 515 of 5th May 1887
 Endorsement by the Revenue Department, H. E. No. 3299 Mis. of 8th June 1887.

No. 621 D of 1st July 1884
 336 D of 30th March 1885

In the marginally noted Proceedings
 the rate of 1½ per cent on account of general
 tools and plant was reckoned ^{according} ~~in reference~~
 to the rules then in force; but the Govt.
 of India having subsequently sanctioned
 as a tentative measure, ~~that~~ the contri-
 butions to Provincial Tools and Plant
^{being} ~~should be~~ calculated at 1 per cent
 from the official year 1884-85, vide
 G. O. No. 2508 W dated 10th October 1884,
 the Canal and Ferry Funds were
 debited from that ^{date} ~~official~~ year at the
 reduced rate of 1 per cent for works
 connected with the Koon Mounjair
 Junction Canal. The percentage charge
 having however been ^{again} ~~increased~~ to 1½
 from 1887-88, with reference to G. O. No. 881 W
 dated 23rd March 1887, the Revenue Depart-
 ment has been requested in para 4 of
 G. O. No. 1699 W dated 24th June 1887 to
 provide an additional allotment of Rs 65
 to meet the increased charge.
