READ—the following paper:—

From W. R. LAWRENCE, Esq., C.S., Under Secretary to the Government of India, Revenue and Agricultural Department (Surveys), to the Chief Secretary to the Government of Madras, dated Simla, 24th June, 1887, Circular No. 34—18-4 S.

with a report as to the possibility of reducing the distribution list of publications of the Geological Survey of India, amongst officers and departments in Madras.

ENCLOSURE.

EXTRACT from a Resolution by the Government of India in the Finance and Commerce Department, No. 3165, dated the 16th June 1887.

Paragraph 5:—Paragraph 20 (d) and (e) Finance Committee Note—Memoirs and Palæontologia Indica.

The Finance Committee suggested that the distribution list of these publications should be carefully scrutinised with a view to its curtailment. The Governor-General in Council does not think it would be desirable in any way to check the exchange of these publications with Geological and other Societies; but considers that the list might be reduced as far as it relates to the issue of the publications to the several officers and departments in India. To this end the scrutiny of the list should be taken in hand at once.
