2. The Public Works Department sub-divisional officer who inspected the building says that it is a two-storied brick-in-chunam building, and that the offer is very reasonable. He values the building, &c., at Rs. 6,441, and estimates the cost of repairs and improvements at Rs. 470, which seems to be moderate.

3. I recommend the purchase, and request that an early appropriation of funds may be made from the reserve at the disposal of Government.

ENCLOSURE.

From F. J. BAGSHAW, Esq., Superintendent of Police, Tanjore, to the Inspector-General of Police, Madras, dated Tanjore, 1st March 1887, No. 46.

Regarding the purchase by Government proposed by you at your recent visit of the buildings and land in Tanjore at present occupied by our Police office, and with reference to your demi-official letter, dated 10th January 1887, I have the honor to inform you that I have been in communication with Messrs. Rajaram Rao and Brothers, and have, at last, agreed to purchase, if sanctioned, the buildings and land in question for Rs. 5,750, their price asked being Rs. 6,000. A sum of Rs. 10,000 has been, from year to year, entered in our building estimate for a new head-quarter office. By the purchase of these buildings and land (already adapted to our purposes), we should save Rs. 4,250 and a yearly rental of Rs. 600. I enclose a plan of the land, &c., and a demi-official from Mr. Foord, Executive Engineer, Public Works Department, who kindly looked over the buildings with me. If permitted, I will request the District Engineer, Mr. Smith, to have a thorough valuation made, and estimate prepared for putting all the buildings in a thorough state of repair.

2. I beg to request early instructions in this matter, as I wish to get the work, if sanctioned, included in next year's building estimate.

The Superintendent should be requested to obtain and forward an accurate valuation of the building, and estimate for putting it into thorough repair.

MADURA,
