READ—the following letter from the Officiating Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 27th July 1887, No. 1531 M.W. :—

I am directed to acknowledge the receipt of your letter, No. 1858 W., dated 11th July 1887, inquiring whether, when there are no alterations, or only trifling deviations from the printed return, of public military buildings submitted in the previous year, it is necessary to forward a complete printed return for each succeeding year; or whether it will be sufficient merely to intimate the fact of there being no changes, or forward a list of such trifling alterations in manuscript.

2. In reply, I am to state, for the information of the Governor in Council, that, when there are no alterations, it will be sufficient to inform the Government of India to that effect; and that, when there are only small changes, a statement of corrections required in the returns may be forwarded. It would, however, be convenient if the corrections were in print and on such form that they could be pasted in the returns to which they belong.
