

Barur Sub Divisional Office
No 267 Barur 5th August 1887

From,

Mr J. Cormac.

Sub-Divisional Officer.

To,

Barur
The Executive Engineer
Coimbatore Division

Sir,

I have the honor to state
that in your memo no 637 dated
23rd July 1887 you directed me
to pay Mr Ashworth, Contractor,
at the rate of Rs 2-0-0 per cubic
foot, for the scanthings which
he supplied at Matagiri.
2. As it was uncertain whether
he would accept this rate
or not, and as much delay
in the execution of the work
would have occurred if I had
waited to settle the matter.
by

by correspondence, I went
into Bangalore on the morning
of the 27th Ultimo and saw
Mr. Ashworth, who accepted
the rate allowed by you, under
protest; I at once gave him
a cheque, and obtained his
receipt, left the same evening
for Malur, and went on to
Hosur; by this much delay
was saved.

3. I beg you will be pleased
to accord your sanction to this
journey and that you will
obtain also the necessary sanc-
tion of Government.

I have the honor to be,
Sir,

Your most Obedient Servant

Norman
