Order 22.8.87

B.S. 24

22ND AUGUST 1887, No. 2242 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads,
Civil Works.

READ—the following letter from G. D. WYBROW, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated 25th July 1887, No. 254 N.L. :—

I have the honor to submit, for your approval and the early sanction of Government, an estimate, amounting to Rs. 5,279, for constructing a school-house at Kandukūr, in the Nellore district.

2. Copies of the Board's resolution and Local Fund Engineer's letters, Nos. 71 and 72, dated 14th May 1887, respectively, are forwarded for your information.

3. The estimate, amounting to Rs. 3,956, for constructing a dispensary, referred to in the above resolution, has been scrutinised and returned to the President, Local Fund Board, Nellore, the amount being below Rs. 5,000.

ORDER—dated 22nd August 1887, No. 2242 W., Public Works.

The estimate, amounting to Rs. 5,279, for constructing a Local Fund school building with compound wall and gate at Kandukūr, in the Nellore district, is sanctioned.

2. It is observed that the plans and estimate have not been countersigned by the President of the District Board.

3. The sanction accorded in paragraph 1 of these proceedings has been registered as Local, No. 22 W. of 1887-88.

2nd Circle

From

25th July 1887.

G. D. Wybrow Esquire
Superintending Engineer 2nd Circle

To

The Chief Engineer
Public Works Department.
Madras.

Sir

I have the honour to submit for
your approval, and the early sanction of
Government, an Estimate amounting to Rs. 279
for constructing a School house at Kandukur
in the Nellore District.

2. Copies of the Board's Resolution
and Local Fund Engineer's letter No. 71470
dated 14th May 1887 respectively are forwarded
for your information.

3. The Estimate amounting to
Rs. 2954 for constructing a Dispensary referred
to in the above Resolution, has been sanctioned
and returned to the President Local Fund
Board, Nellore, the amount being Rs. 2000.

I have the honour to be,
Your most obt. Servt.
G. D. Wybrow
Superintending Engineer 2nd Circle.

From The Sub-Commissioner
of the Circle.

To The Chief Engineer
P. W. D.
Madras

(Hollow)

To

The President

District Board, Bellary

For

I have the honor to forward
herewith a Revised Plan No. 3 and 2 Estimates
No. 5 for constructing the Dispensary
at Haudahur provided in this year's
Budget amounting to Rs. 2,700 for early
completion.

The Estimate and Plan have
been revised to be all the more sufficient
accommodation for the Hospital. Resident

(2) to enlarge the Dispensary as the
original provision has been found
insufficient, (3) to provide a kitchen
for the Hospital's use, and (4) to
build a Camp and wall around the building.

3 I request that the estimate be
examined as very early as possible to
enable me to commence and complete the
work within the year.

I remain &c

The Royal Engineer's
Office

I have the honor to acknowledge
the receipt of your letter of the 11th

inst.

I have the honor to inform you that

the estimate for the work is now being

examined and will be ready for

your perusal in a few days.

I am, Sir, &c

Yrs

The estimate also provides for a

Camp and wall around the building to

protect the animals and the men.

I request the estimate be examined as

early as possible to enable me to

commence the work as early as possible.

For J. Collins & Bros

[illegible]

For the Father's Mission

2. The finishing is to consist of a large centre class room 29 ft long 11 ft broad & 11 ft high to the top of joists, 2 end or side class rooms are to be 26 1/2 ft long

26½ ft long 12 ft broad and 12 ft high to top of joists & 2 rear end rooms one for Head Master's private room & one for Store and Library are to be 12 ft long, 11 ft broad & 12 ft high to top of joists & the front & rear Verandahs are to be 29 ft long 10 ft broad in the clear & 10½ ft high to top of joists.

3. The depth of the foundations of the School House below ground is 3 ft & the depth of basement is 1½ ft.

4. Foundation, basement and the superstructure of the School house & the coping of the compound wall are to be built of brick in Chumam & foundation & superstructure of the compound wall are to be built of brick in mud.

5. The front & rear Verandahs are to have semicircular arched

arched openings between pillars.

6. The exterior of the building is to be finished off by the quoins with cement plaster except the corners of the building which are to be built of laterite stone as shown in the front elevation of the building.

7. All wood work such as joists, Boars, & windows are to be of teak & to be painted with 2 coats of anti-corrosion paint.

The scantlings of timbers are correct.

8. The exterior of the School House and the compound wall both sides are to be plastered with Portland Cement ¾" thick & the interior and the parapet wall of the School House are to be plastered with mortar.

9. The flooring of the School House is to be of concrete in mortar 1½" thick and plastered over with Portland Cement ¾" thick.

10. The roof is to be flat
terraced (supported on
teak joists) with brick
on edge 3" thick, one course
of concrete 3" thick, 3 courses
of flat tiles 3" thick and
with plaster to a thickness
of 1/2".

11. The report & the specifi-
cation are submitted.

12. The rates are fair.

13. Contingencies & Petty super-
vision are separately
charged for school house
as well as compound wall
at 5 percent respectively.

14. The plan and the esti-
mate have not been counter-
signed by the President
District Board nor approved
in the Local & Municipal
Department but the estimate
seems to have been sanctioned
by the Dist. Board vide
resolution of the District
Board accompanying
the S. E. letter.

The plans & estimate may
be sanctioned for Rs 5279.
