READ the following

Petition from Mr P. J. Dias dated 3 August 1887.

+ dated 11 June 1887

In his previous petition, Mr Dias proved that he might be permitted to reenter the Govt. service irrespective of the 25 years rule, and with benefit of his previous service. He now prays that his reemployment in the Govt. service may be permitted.

2. On his dismissal in 1870, Mr Dias was not declared ineligible

for further service under Govt; and if any officer of the P.W. Dept desires to re-employ him, and submit a recommendation on his behalf, the Govt will be prepared to consider the question of exempting him from the 25 years rule under the usual conditions.

It must however rest with Mr Dias to seek an appointment, and if successful, he must understand distinctly that his previous service cannot be allowed to count for pension.

Sir.
Pro. Gov. No. 2025 of 28 July.
I very humbly and respectfully beg to submit, that I did not intend nor could I possibly mislead Govt.
2 The Govt accused me of having made deliberate misstatement, for which I exceedingly and bitterly regret, and accordingly implore the pardon of Govt.
3 Allow me however with due deference to state that my succession to the position to which I was entitled, led me to sorrow and then to its consequences, hence my absence from the Dept, and therefore I humbly beg that the Service Register of my conduct and qualification, prior to my supersession be called and examined, if not already before Govt.

Orders by Government.

no 22 44 May 22^d August/87

The excess over Estimate and grant is due to a debit of Rs 2,432 by the Civil Department in the final accounts for March 1887, on account of purchase and repair of the Bungalow for the Ex-King of Burmah. The sanction of Government to pass the excess is therefore requested.

In the Circumstances brought to notice by the Examiner of P. W. Accounts, the excess may be passed.
