GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following letter from Colonel W. H. BURTON, R.E., Superintending Engineer, V Circle, to the Chief Secretary to Government, dated Chepâk, 21st December 1886, No. 4772:—

At the request of the President, District Board, North Arcot, I have the honor, with reference to paragraph 2 of Government order in the Financial Department, Mis. No. 1176 L.F., dated 24th September 1886, to submit, for sanction, a revised estimate of Rs. 4,875 for constructing 23 new bazaars at Arkónam with a comparative statement to account, in detail, for the cause of excess, Rs. 275, over the original sanction.

No. 9, Financial.

Transferred to the Public Works Department.

(By Order.)

Madras,
13th January 1887.

(Signed) W. S. MEYER,
Ag. Assistant Secretary.

Order—dated 25th January 1887, No. 230 W., Public Works.

The revised estimate, amounting to Rs. 4,875, for constructing new market stalls at Arkónam, in the North Arcot district, is sanctioned in supersession of the estimate of Rs. 4,600 sanctioned in G.O., No. 833 W., dated 1st April 1884.

2. This sanction has been registered as Local, No. 36 W. of 1886-87.

Dated the 21st March 1884

From the S.E. IV Circle

NOTE OF REMARKS.

1. The accompanying plan and estimate are for constructing new market stalls in place of the old ones, at Arkonam in the North Arcot District. The estimated amount is Rs. 4,600.

2. There are to be two buildings — one containing 12 stalls, the other 11 stalls. The buildings are to be tent roofed, gabled. A wall, running down near the center, underneath the ridge, divides the building, in each case, into closed rooms, on one side and an open verandah on the other. The foundations through- P.T.O.

Dr/ 26/3/84

883 W

are to be of stone in clay. The basements of the outer walls are to be of stone in mortar - pointed - of the inner walls, of stone in clay. The pillars, end walls of verandahs, the topmost 1½ ft. of main walls, flat arches over doors, and door jambs are to be of brick in mortar; the remaining masonry of the superstructure is to be brick in mud.

3. As the timber provided for is 'jungle wood', it would be well if the scantlings allowed to rafters, purlins, and bressummers were a little more liberal. The roof, however, is not heavy as only pan tiles are to be used - no provision for flat tiles has been made. It may be noted that windows are altogether omitted - there is probably some special

[illegible]

reason for so marked an omission, as to judge from such information as has been submitted a window (3'x4') to each room would be a great improvement. There is one room to which a window would be useless.

4. The plan and estimate have been countersigned by the Vice President of the L. F. Board.

Letter No. 9

Dated the 13th January/85

From the Secy to Govt. – Financial Dept.

NOTE OF REMARKS.

1. The accompanying is a revised estimate for constructing new market stalls at Arkonam in the North Arcot district, and amounts to Rs. 4,875 – being Rs. 275 in excess of the original estimate for that work, Rs. 4,600, sanctioned in G.O. No. 883 W. of the 1st April/84.

2. A report is not submitted but it is explained in the comparative statement that the excess is due to running up the verandah partition walls to meet the roof and to the dismantling of the old former building – for these charges no provision having been made in the original estimate. The excess, Rs. 275, is thus divided; Increased height of partition walls, including plastering, – Rs. 153; dismantling of the old building including its roofing – Rs. 119; and
