From Col L. Beatty R.E.
Superintending Engineer of India

To Col R. H. Sankey. C. B. R.E.
Chief Engineer. P.W. Dept.

Sir, The Examiner of P.W. objects to pass sub divisional allowance to Mr Baker, Sub Engineer, in charge of Mayaveram Sub Division in the Tanjore Division from April 1882 on the ground that Mr Lambert assistant Engineer, was available for the charge of the Sub Division.

2- The assistant Engineer was specially employed on the revision of the estimates for the Tanjore Palace repairs which had been long over due, and having completed that work he is now employed on hastening the preparation of

of Estimates for improving the
River Embankments, for which
there is a Budget allotment of
£64,600.

3. Under the circumstances,
Mr Lambert will not be availa-
-ble for charge of the Sub Division
until he completes some of the
Embankment Estimates, and I
have the honor to request that
the Examiner may be authorized
to pass the Sub. Divisional allow-
-ance to Mr Baker while Mr
Lambert is employed on special
duty.
