Account.

READ—the following letter from Lieutenant-Colonel J. PENNYCUICK, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Kodaikānal, 22nd August 1887, No. 297 T.C. :—

I have the honor to request that sanction of Government may be obtained to the undermentioned modification of budget allotments under Provincial, Civil Buildings :—

From

	RS.		RS.
(a) Lump sum grant for minor works.	1,419	(b) Constructing a district jail at Trichinopoly	1,419

2. (a) Under some misapprehension Rs. 2,500 for minor works were applied for by the Executive Engineer; it is now observed that there is no likelihood of any demand being made under the head during the current year. From this sum a transfer of Rs. 1,081 have been already proposed in this office No. 437 M.D., of 2nd August 1887, and No. 325 T.N., of 15th idem, and the balance of Rs. 1,419 is now recommended for transfer to the Trichinopoly district jail.

3. (b) For the district jail above alluded to a sum of Rs. 10,000 has been granted in the current year's budget, and this will be spent by the end of September 1887; and as materials are ready, another sum of Rs. 10,000 will be spent before the end of the official year. To meet partly this demand the above transfer of Rs. 1,419 is recommended, and, if possible, I would request that the balance, Rs. 8,581, may be granted by Government, as I cannot at present propose any transfer from the existing grants in the circle.

4. On the jail in question Rs. 51,466 were spent up to end of the last official year; a revised estimate, amounting to Rs. 78,280, was forwarded on the 26th June 1887 to the Inspector-General of Jails for submission to Government, but it was returned by that officer with his No. 3339 of 15th July 1887 for further revision. It will be resubmitted as soon as received back from the Executive Engineer.

ORDER—dated 5th September 1887, No. 2394 W., Public Works.

As the sum available from the current year's allotment to the Trichinopoly division under Provincial, Civil Buildings, Minor Works, is Rs. 1,500 (*vide* G.O., No. 2312 W., dated 26th August 1887), that amount is transferred to the district jail at Trichinopoly.

2. The question of providing additional funds required for the jail will be considered on receipt of the revised estimate, which the Superintending Engineer reports is now under preparation.

Proceedings of the Board of Revenue (Land Revenue), dated 17th June 1887,
Mis. No. 1375.

Read—the following letter from E. TURNER, Esq., Collector of Madura, to the
Secretary to the Board of Revenue (Land Revenue), dated 8th May 1887,
No. 213.

I have the honor to submit, for sanction, duly countersigned, a revised estimate,
for Rs. 3,200, and a plan received from the Superintending Engineer, VI Circle, with
his report, No. 79 M.D., dated 22nd April 1887 (enclosed), for repairing the taluk
cutcherry at Dindigul. The original estimate was for Rs. 2,470, which was sanctioned
by the Superintending Engineer in September last. When the work was begun, it was
found necessary to demolish the walls and to reconstruct them with good materials:
hence the increase of Rs. 730 (*vide* his report, paragraph 1).

Read—also letter from the Collector of Madura, dated 25th May 1887, No. 251.

Resolution—dated 17th June 1887, Mis. No. 1375.

The plan and estimate, for Rs. 3,200, for repairing the taluk cutcherry at
Dindigul, are herewith submitted for the sanction of Government and for the provision
of funds in the Public Works Department.

2. The necessity for the work is fully explained by the Superintending Engineer.

(Signed) J. F. PRICE,
Ag. Secretary to Government.

ORDER—dated 16th July 1887, No. 1916 W., Public Works.

The estimate, amounting to Rs. 3,200, for repairing the taluk office at Dindigul,
in the Madura division, is sanctioned.

2. As funds are not available with the Government, the Superintending Engineer will propose a transfer of funds from the grants to other works in the circle.

3. This sanction has been registered as Provincial, No. 58 W. of 1887-88, and classified as Civil Buildings, Original Works, the cost of the repairs being more than one-fourth the value of the building.

From Lieut.-Colonel H. R. MEAD, R.E., Superintending Engineer, Sixth Circle,
to the Inspector-General of Registration, Madras, dated Kumbakonam, 21st
November 1883, No. 565, T.N.

I have the honor to forward, for your countersignature and submission to Govern-
ment for sanction, an estimate, amounting to Rs. 2,705, for constructing a sub-registrar's
office at Srivilliputur, Tinnevely district, called for in G.O., No. 2424 W., of 19th
September 1882.

ENCLOSURE.

No. 564, T.N.

Report by the Superintending Engineer, Sixth Circle, on estimate for constructing a sub-
registrar's office at Srivilliputur, in Tinnevely district. Estimate Rs. 2,705.

The estimate is called for in G.O., No. 2424 W., of 19th September 1882, and prepared in
accordance with the standard design sheet
No. 21 that accompanied the G.O., No. 120 W.,
of 14th January 1882.

1 Detailed estimate, &c.
1 Abstract. do.

2. The site selected for the building is approved of by the Collector. A compensation of
Rs. 245 is entered in the estimate; the land statement is not signed by the Collector but it is
understood from the Executive Engineer's report that the compensation has been settled by the
Collector. The land belongs to three parties and the Collector states that the consent of two of
them is obtained and whereabouts of the third party is not known, and therefore the land may
be taken under the Land Acquisition Act.

3. The soil of the site was examined and the depth of the foundation (two feet concrete and
five feet masonry) allowed in the estimate is considered necessary.

4. The only deviation from the standard estimate is the substitution of concrete flooring with
Portland cement instead of square bricks, as the former is considered better than the latter.

5. Weather boards have been provided to side windows of the sub-registrar's and clerk's
room.

6. The work can probably be completed in nine months after sanction and allotment of
funds.

Sir,

ENCLOSURE.

With reference to G.O. No 19/65 dated
16 July 187 para 2, I have the honor to
state that a sum of Rs 1155-0-7 was
laid out on the repairs to the Saker
butcherry at Sindigul up to end of
March 187 from the original estimate
sanctioned by this office under Repairs,
this will have now to be written back
to original works. The sum required
for the completion of the repairs is
Rs 2045 - the balance of the estimate
sanctioned in the G.O. above quoted,
under original works; to meet this sum
I beg to propose, for the sanction of
Govt.

Government, the undermentioned transfers: —

From.	To.
Madura D ⁿ - Lump sum grant under Provincial Civil Buildings - Repairs. Rs 1045.	Madura D ⁿ - Provincial Civil Buildings - Original works - Repairing the Salug office at Disakal. Rs 2045
Tichimofsky D ⁿ - Lump sum grant for minor original works under Provincial - Civil Buildings — Rs 1000	
	<u>2045</u>

2. The grant for Repairs - Civil Buildings - for the Madura Dⁿ includes the balance (Rs 13/5) of the original estimate for the Salug Cutcherry in question; the Executive Engineer Tichimofsky appears to have under some misapprehension applied for a larger sum for minor works than he really required.

I have the honor to be
Sir

Yours most obedient servant.
