on the subject.

(To be put in)

*
From the papers it
appears that a sum of
R 5.4 was received from
a check in account of
Incom tax. That Mr
Joyce the C of gave
the check a receipt for the
amount but that the com^r
was never credited in the
cash book or paid to
the Revenue debt.

This money must have been
misappropriated by some one
probably by one of the clerks.
The clerk who was in charge
of the cash transactions
has left the debt and it
is not known when he is.

it is therefore worth attempting
to prosecute.

I consider that Mr Joyce
is responsible for this money
as he gave a receipt for it
and did not see it was his
duty to have seen that
it was paid over to the Revenue
debt in account of Incom tax.
I therefore think that this
money should be recovered from
Mr Joyce.

PUBLIC WORKS STORE DEPARTMENT,
Madras, 30th August 1887.

No. 569 S.

From A. Joyce Esq.
THE GENERAL SUPERINTENDENT,
PUBLIC WORKS STORES, &c.,

To THE Superintending Engineer,
5th Circle
Chopank.

SIR,

Enclosures.

I have the honor to acknowledge
receipt of yours to 2174 of August 23rd 1887.
I beg to state that I have little to say
beyond what I have said before which
contains the whole facts of the case. All
I would add is the attempt to recover the
income tax was none of my seeking, it was
on account of orders received from the Collector.
It was not for any salary paid for in my
office over which I could exercise a proper
check, but for totally outside property. The
ordinary revenue authorities, having to my
thinking neglected their own duties, thrust
them on me at the very time when I had
most work properly belonging to me to
do. That is work connected with the
temporary closing of the 101 Tank
Division and which I was doing my
best

best to accomplish satisfactorily.

I should not have written this if I had not been called upon by the Chief Engineer for Orizaba to shew cause why the missing sum should not be made good by me. And as I am of opinion that it will not have much effect upon Government, I shall be very much obliged and take it as a personal favour, if you would kindly inform me at your earliest convenience how and when I should refund the sum in question as I do not wish to have any more correspondence on the matter if possible.

I have the honor to be
Sir

Your Most Obedt Servt

A Joyce
