GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Establishment.

READ—the following despatch from the Right Honorable Viscount CROSS, Her Majesty's Secretary of State for India, to His Excellency the Right Honorable the Governor in Council, Fort St. George, dated India Office, London, 18th August 1887, No. 7, Public Works:—

I have to acknowledge the receipt of your letter, No. 12-1532 W., Public Works, dated 8th June 1887, furnishing me, in reference to the request contained in my despatch No. 3, of the 24th March last, with a statement showing the cost of establishment on the Sangam and Cauvery-Vennár Irrigation works in your Presidency.

2. This gives, as nearly as can be ascertained, the "percentage of actual establishment to working charges on these two works," and is what I was desirous of obtaining. It would be interesting if similar information were given with the annual budget estimates, and I would repeat the request contained in my despatch of March last that these estimates may be supplemented by a statement showing as nearly as possible the approximate amount of the establishment charges applicable to works under construction.

ORDER—dated 13th September 1887, No. 2460 W., Public Works.

Communicated to the Examiner, Public Works Accounts, who will in future submit, with the budget estimate of establishment charges, a statement giving the information required by the Secretary of State.
