No. 549 T.J.

Report by the Superintending Engineer, VI Circle, on the estimate for converting the chapel of St. Joseph's College at Negapatam into a Sub-Judge's Court, Rs. 1,170.

The estimate has been prepared with reference to paragraph 3 of G.O., No. 1013 W., of 19th April 1886, and in consultation with the District Judge of Tanjore. The work proposed consists of the construction of a platform and dais, walling the chapel to form different rooms, flooring and general repairs.

2. The rates are fair, and the estimate is forwarded for sanction of Government through the District Judge, Tanjore (*vide* paragraph 989 of the Public Works Code).

Proceedings of Government, Judicial Department, dated 5th September 1887,
No. 2031.

From W. MORGAN, Esq., Deputy Registrar of the High Court of Judicature at Madras, to the Chief Secretary to Government, dated Madras, 26th July 1887, No. 1909.

I am directed to forward, for the sanction of Government, the accompanying plans and estimates for converting the chapel of St. Joseph's College at Negapatam into a Sub-Judge's Court at a cost of Rs. 1,170.

From J. A. DAVIES, Esq., Acting District Judge of Tanjore, to the Chief Secretary to Government, dated Tanjore, 25th August 1887, No. 642.

I have the honor to return herewith the plans and estimates for converting the chapel of St. Joseph's College at Negapatam into a Sub-Judge's Court, which accompanied your reference in the Judicial Department on No. 3201 of 1887, dated 16th instant, and to state that the marking of the room "Record" in the plan of a portion of the college main building as attached to the Sub-Judge's Court is incorrect, that being the record-room of the District Munsif's Court situated on the other side of the verandah or gallery. On a personal inspection I found it to be the only suitable room available for the Munsif's records, and, as it will not be open to, or intercommunicate with, the surrounding rooms intended for the use of vakils and witnesses of the two Courts, I see no objection to keeping the records in it, which, like those of the Sub-Judge's Court, will consist only of current records, all permanent records now being kept in the District Court. With reference to the room marked "Office and Record" in the chapel, I beg to report that the passage from the main building does open into

it, and that on the present suggestion of Government I think it will be better to make the room on the west marked "Copyists" the record-room, and let such copyists as may be crowded out of the other room for copyists sit in the general office to do their work.

Order—dated 5th September 1887, No. 2031, Judicial.

Ordered that the foregoing papers be transferred to the Public Works Department. The plans and estimates are approved, subject to the alteration suggested by the District Judge in his letter No. 642, dated 25th August 1887.
