SIR,

Enclosures.

With reference to G.O. No. 2180 W dated 17th August 1887, I have the honor to state that the Cooly Soondrum was under treatment at the General Hospital for compound fracture of his fingers up to the 7th August 1887, when he had to be discharged for being unable to account satisfactorily for some plaster which he should not have had in his possession. He was

was practically well at the time of his discharge and fit to return to light duty.

I have the honor to be
