ENCLOSURES.

Rules for Quarters for Telegraph Masters and Signallers,

Sanctioned by the Government of India in Public Works Department letter, No. 189 T.E., of the 14th December 1882, and will come into force with effect from 1st January 1883.

The unit of accommodation will be a room containing from 200 to 220 feet of superficial area with a bath-room and such verandahs as the aspect and climate may render necessary.

2. A Signaller is entitled to half such an unit of quarters, a Telegraph Master to two or one units according as he may or may not be in charge of the office, and a Sub-Assistant Superintendent to two units.

3. Rent will be recovered departmentally for quarters in excess of the sanctioned free scale occupied by Telegraph Masters or Signallers at the rate of Rs. 2-8-0 per mensem per 100 superficial feet excluding verandahs and bath-rooms.

4. In allotting the quarters available in a telegraph building, the Superintendent will first provide for the Sub-Assistant Superintendent or Telegraph Master in charge to the extent of two units, next for Deputy Telegraph Masters to the extent of one unit each, next for unmarried Signallers to the extent of half an unit each, and lastly for married Signallers to the extent of one unit each (half of which will be charged for).

5. Should there be any surplus accommodation after the above instructions have been carried out, Deputy Telegraph Masters and married Signallers may be allowed to rent up to two units each (including one unit and half unit respectively free), and unmarried Signallers requiring a room to themselves may be allotted one unit including the free half unit.

6. The accommodation to be offered according to seniority in each class.

Locality.	Sub-Assistant Superintendent or Telegraph Master.	Signaller.
	Per mensem. rs.	Per mensem. rs.
In Calcutta, Bombay, Madras, Kurrachee, Rangoon, Akyab, Cocanada or any hill station ..	15	10
In any other station ..	7½	5

7. When quarters are not available compensation at the rates noted in the margin may be given, but no such compensation is to be given to any Telegraph Master or Signaller who, when offered as above the authorized scale of accommodation, declines to avail himself of it.

From the Secretary to the Government of the North-Western Provinces and Oudh, Public Works Department, to the Secretary to the Government of India, Public Works Department, dated 30th March 1883, No. C. 1195 B.R.

With reference to your No. 189 T.E., dated the 14th December 1882, to the address of the Director-General of Telegraphs (copy of which has been received in this office), regarding scale of accommodation for Telegraph Masters and Signallers, I am directed to inquire if the rules, approved by the Government of India, are to be adopted at once, and whether rents are to be collected by the Public Works or by the Telegraph Department.

From Major G. F. L. MARSHALL, R.E., Under Secretary to the Government of India, Public Works Department, to the Secretary to the Government of the North-Western Provinces and Oudh, Public Works Department, dated Simla, 30th May 1883, No. 79 T.E.

In reply to the inquiries made in your letter, No. C. 1195 B.R., dated 30th March 1883, I am directed to state the rules for the allotment of quarters for Telegraph Masters and Signallers came into operation with effect from the 1st of January 1883.

2. Regarding the inquiry whether the rents are to be collected by the Public Works or Telegraph Department, I am to state that rents should be collected each month by the Examiner of Telegraph Accounts by deduction from the pay of the occupants, and the amount so collected should be credited to the Public Works Department as Imperial Revenue by transfer advice to the Examiner of Public Works Accounts, Bengal; I am further to add that compensation awarded for quarters not available is to be charged to the Telegraph and not the Public Works Department.

Copy, with copy of the letter replied to, forwarded to the Director-General of Telegraphs for information and guidance and with the remark that the words "per mensem" which were accidentally omitted in the original issue have been inserted in Rule 3. Credit for the rents realized should be taken in the *administration* account of the Telegraph Department.

ORDER—dated 18th June 1883, No. 1702 W., Public Works.

SIR,

I have the honor to inform you that Serjeant H. Webb Supervisor reported in his letter No 223 of 16th September 1886, that a telegraph master who was sent up by the Chief Superintendent of Telegraphs for opening a class for Soldiers at Wellington, occupied public quarters free of rent. I asked Mr. Webb to enquire from the Military Authorities at the station whether the Telegraph Master is a Military man or Civilian, and the authority under which he was allowed to occupy public quarters free of rent. A Copy of the Station Staff Officer's reply on the subject bearing No 85 B of 12th October 86 with its enclosure is sent herewith for your information.

2.

2. It appears from the Station Staff Officers endorsement № 2106 a of 11th June 1886, that free quarters were allowed to the Telegraph Master during 1885, but as the subordinate then in charge of the Pub Division omitted to report the matter in his Returns or Correspondence to this Office no objections were raised.

3. In the Monthly Return of Public Buildings rented &c, sent to the Examiner P. W. Accounts the building (portion of Staff Quarters block) was shewn as being occupied by the Telegraph Master, and he in his Audit Note for December 1886 says that the sanction of Government to the above arrangement is necessary.

4. I therefore request you will be good enough to obtain the necessary sanction of Government for the Telegraph Master occupying the public quarters free of rent.

Under the rules issued by the Government of India with their No. 80 T.E. dated 30th. May 1883 (printed with G.O. No. 1702 W. dated the 18th. June 1883) Telegraph Masters are allowed a certain amount of accommodation free of rent, and when quarters are occupied in excess of the sanctioned free scale, rent should be recovered at Rs. 2-8-0 per mensem per 100 superficial feet, excluding verandahs and bath rooms.

2. In reply to a reference by this Office, the Executive Engineer Nilgiri Division states that, the area of the quarters occupied by the Telegraph Master at Wellington (exclusive of bathrooms and verandahs) is 508½ sq. feet.

3. Assuming that the G.O. above quoted is applicable to the case of the Telegraph Master in charge of the Signalling Class at Wellington, he would be entitled to 220 sq. feet of floor area free of rent, and would be required to pay for the excess accommodation of 378½ sq. feet at Rs. 9-7-4 per mensem. The period of occupation was from 1st. September to 30th. October 1886, and the amount due would therefore be Rs. 18-9-9.

4. The reference to the Executive Engineer Nilgiri Division has delayed this reply.

The Secretary to the
Government of India, P.W.D.

Sir,

To the S.E. IV Circle & Exn Wks

A telegraphic master, who was ordered by the Chief Superintendent

to proceed to Wellington in September 1886 to open a signalling class for soldiers, was provided with free quarters in the staff quarters block at that station, but the Examiner P.W. Accounts now passes the question whether recovery of rent should not be effected.

2 Under Govt of India Resolution No. 80 TE of 30th May 1883, a telegraph master is entitled to 220 square feet of floor area free of rent, while the actual floor space occupied by the telegraph master at Wellington was 598½ square feet exclusive of bath rooms and verandahs. For the excess accommodation of 378½ square feet, he would be required to pay rent at the rate of Rs 9:7:4 per mensem. The period of occupation was from 1st September to 30th October 1886, and the amount due would therefore be Rs 18:9:9.

3. The telegraph master was ordered to Wellington by the Chief Superintendent on the understanding that he would be provided

with free quarters, and this Government are therefore disposed to remit the rent, but as the question affects an imperial building, it is ~~remitted~~ submitted for the consideration and orders of the Govt of India.

4. If a telegraph master in charge of a military signalling class is held to be in the same position as a telegraph master in charge of an office, he would be entitled to a floor space of 440 square feet, and the amount of rent recoverable for the quarters at Wellington would be proportionately reduced.
