

GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

16 September 1887, No. 5708

Military Buildings—Demolition.

Read the following paper:—

No. . From Brigadier-General E. FAUNCE, Quarter Master General, Madras Army, to Brigadier-General A. KENNEY-HERBERT, Secretary to Government, Military Department; dated Ootacamund, 6th September 1887, No. 3147-A.

I have the honor to solicit the sanction of Government to the demolition of a building at Wellington known as the "punishment shed" which is not included either in Military or Public Works Department returns. This building is said to have been constructed a few years ago as a workshed for prisoners, who then occupied as cells some quarters in the lower storey of No. 3 Block Married Quarters; but as cells have since been built elsewhere, this workshed is no longer required, and, moreover, from its contiguity to the block of married quarters, it precludes the free circulation of air.

No. . ORDER THEREON, 16 September 1887, No. 5708

Sanctioned.
