would deprecate the occupation of the open space in question by any new buildings. for it would be certainly crowd up ^{that} quarter of the Fort unduly.

4. If on the other hand the scheme is not accepted by Government the space might be utilized for the new Taluk Butcherry if one is to be built which from a report received from the General Officer Commanding Eastern District seems somewhat doubtful, as he was given to understand that the local civil authorities consider an extension of the present building would meet all requirements.

Order thereon 1st September 1887 No 5199.

Communicated to the Land Revenue Commissioners in continuation of para 2 of G.O. dated 19th July 1887 No 4223 Mis.

2. The Commissioners are requested to report on the proposal alluded to in para 4 of the Quarter Master General's letter to extend the building in which the Taluk Butcherry is at present held.

3. With reference to paras 1 and 3 of the Quarter Master General's letter the Military Department will be requested to favor this Department with information as to whether the site referred to in para 1 of that communication is likely to be available in case of it is found suitable for a Taluk Butcherry.
