READ—the following letter from Lieutenant-Colonel J. PENNYCUICK, R.E.,
Superintending Engineer, VI Circle, to the Chief Engineer, Public Works
Department, dated Chinnammanūr, 9th September 1887, No. 1093 T.J. :—

In continuation of my letter No. 297 T.C., of the 22nd August 1887, I have the

honor to state that the current year's
allotment of Rs. 15,000 * for "alterations
and improvements to St. Joseph's College
buildings to fit them for use as public
offices" at Negapatam is not likely to be
fully utilised by the end of March next.

As the estimates for the improvements
could not all be prepared in time, and
only two, amounting to Rs. 1,740, have hitherto been sanctioned, and those remain-
ing, amounting in the aggregate to Rs. 29,620, submitted on the 20th August 1887
through the several heads of departments concerned, as reported in my No. 984 T.J.,
dated 20th idem, are not likely to be sanctioned at once.

2. I would therefore, for the present, recommend, for sanction of Government,
the transfer of Rs. 5,000 from the grant of Rs. 15,000 above referred to, to the con-
struction of the District Jail at Trichinopoly. On this work a sum of Rs. 10,000 can
be well laid out during the current year in addition to the existing grant of
Rs. 10,000 as already reported in my No. 297 T.C., dated 22nd August 1887.

3. I take this opportunity of bringing to your notice that the estimate for
District Munsif's Court at Tiruvalūr, submitted on the 2nd June last through the
District Judge, Tanjore, has not yet been sanctioned. If this is not at once sanctioned,
the grant of Rs. 10,000 for the work cannot be spent by the end of March next.

ORDER—dated 28th September 1887, No. 2573 W., Public Works.

In the circumstances explained by the Superintending Engineer, the following
transfer of funds is sanctioned :—

		Provincial. Civil Buildings. Original Works.	
From	Rs.	To	Rs.
Alterations and improvements to St. Joseph's College buildings at Nega- patam to fit them for use as public offices	5,000	District Jail at Trichinopoly	5,000

2. The estimate for the District Munsif's Court at Tiruvalur having been sanctioned in G.O., No. 2491 W., dated 21st September 1887, it is hoped that the grant for the work will be fully utilised.

General Account.

READ—the following letter from Lieutenant-Colonel J. PENNYCUICK, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Kodaikanal, 22nd August 1887, No. 297 T.C. :—

I have the honor to request that sanction of Government may be obtained to the undermentioned modification of budget allotments under Provincial, Civil Buildings :—

From Trichinopoly division. To Trichinopoly division.

(a) Lump sum grant for minor works. Rs. 1,419 (b) Constructing a district jail at Trichinopoly 1,419

2. (a) Under some misapprehension Rs. 2,500 for minor works were applied for by the Executive Engineer; it is now observed that there is no likelihood of any demand being made under the head during the current year. From this sum a transfer of Rs. 1,081 have been already proposed in this office No. 437 M.D., of 2nd August 1887, and No. 325 T.N., of 15th idem, and the balance of Rs. 1,419 is now recommended for transfer to the Trichinopoly district jail.

3. (b) For the district jail above alluded to a sum of Rs. 10,000 has been granted in the current year's budget, and this will be spent by the end of September 1887; and as materials are ready, another sum of Rs. 10,000 will be spent before the end of the official year. To meet partly this demand the above transfer of Rs. 1,419 is recommended, and, if possible, I would request that the balance, Rs. 8,581, may be granted by Government, as I cannot at present propose any transfer from the existing grants in the circle.

4. On the jail in question Rs. 51,466 were spent up to end of the last official year; a revised estimate, amounting to Rs. 78,280, was forwarded on the 26th June 1887 to the Inspector-General of Jails for submission to Government, but it was returned by that officer with his No. 3339 of 15th July 1887 for further revision. It will be resubmitted as soon as received back from the Executive Engineer.

ORDER—dated 5th September 1887, No. 2394 W., Public Works.

As the sum available from the current year's allotment to the Trichinopoly division under Provincial, Civil Buildings, Minor Works, is Rs. 1,500 (vide G.O., No. 2312 W., dated 26th August 1887), that amount is transferred to the district jail at Trichinopoly.

2. The question of providing additional funds required for the jail will be considered on receipt of the revised estimate, which the Superintending Engineer reports is now under preparation.

No. 988 T.J.

Report by the Superintending Engineer, VI Circle, on the estimate for providing accommodation to the Executive Engineer's office in St. Joseph's College buildings at Negapatam, Rs. 600.

In the plan showing the distribution of space approved in G.O., No. 1556 W., dated 10th June 1886, it was proposed to partition a room in the ground floor and use one partition for Public Works Department records and the other for Police records, but this will have to be modified to suit the requirements of the Police Department, and hence the necessity for forming a record room in the gallery behind the accountant's room. The estimate of Rs. 189, said in paragraph 3 of this office letter, No. 389 T.J., dated 26th May 1887, to have been sanctioned by the Executive Engineer, is therefore required to be revised.

2. The estimate has been prepared with reference to paragraph 3 of G.O., No. 1013 W., of 19th April 1886, and provides for all the works carried out on the former estimate and further works found necessary. With the exception of forming a record room, the alterations and repairs are of a petty description and calls for no remarks.

3. The rates are fair and the estimate is recommended for sanction.

Estimate No. 1 was sanctioned in G.O., No. 1967 W. of 23rd July 1887.

Estimates Nos. 3 and 4 were forwarded to the Collector of Tanjore with this office reports, No. 184 T.J., dated 1st May 1887, and No. 585 T.J., dated 18th June 1887, respectively.

Estimates Nos. 5 to 8 and 16 to 23 have this day been forwarded for sanction through the Collector of Tanjore.

Estimates Nos. 9 to 11 have this day been submitted for sanction through the Assistant Commissioner of Salt Revenue.

Estimate No. 12 was sanctioned in G.O., No. 1939 W. of 20th July 1887, and No. 13 has this day been forwarded for sanction through the Superintendent of Police, Tanjore.

Estimate No. 14 has this day been forwarded for sanction through the Inspector-General of Registration.

Estimate No. 15 has this day been forwarded to you for your approval and sanction.

2. Of the sum of Rs. 22,360, Rs. 19,375 are for alterations and repairs of the existing buildings and Rs. 2,985 for entirely new construction required. A site plan showing the position of several buildings, and the plan of the main building showing the alterations, &c., have been forwarded to the Collector for submission to Government with estimates. For out-buildings and new buildings, separate plans are attached to the estimates.

3. I request that early sanction may be accorded for the Tank Cutcherry and Sub-Judge's Court, as the Tahsildar holds his office and treasury in St. Joseph's College buildings and his sub-jail is away at the old cutcherry, and consequently the police guard is divided into two for guarding the treasury and the sub-jail. The Sub-Judge at present holds his office in a private building, for which a high rent has to be paid.

ORDER—dated 9th September 1887, No. 2440 W., Public Works.

Recorded in continuation of G.O., No. 1556 W., dated 10th June 1887.

Nos. 4, 5, 6, 7, 8, 9, 10, 11, 13, 14 and 16 to 23. 2. The receipt of the estimates, marginally noted, is awaited.

Sir,

ENCLOSURE

In continuation of my letter No. 297 T.C. of the 22nd August 87, I have the honor to state that the current year's allotment of Rs. 15,000 for alterations and improvements to St. Joseph's College buildings to fit them for use as public offices at Negapatam is not likely to be fully utilised by the end of March next, as the estimates for the improvements could not all be prepared in time, and only 2 amounting to Rs. 1,440 have hitherto been sanctioned, and those remaining amounting in the aggregate to Rs. 20,620, submitted on the 20th August 87 through the several heads of departments concerned as

as reported in my No: 936 of 20th Decr
are not likely to be sanctioned at once.

2 I would, therefore, for the present,
recommend for sanction of Government
the transfer of Rs. 5000 from the Grant
of Rs. 15000 above referred to to the con-
struction of the District Jail at
Tichinopoly. On this work a sum of
Rs. 10000 can be well laid out during
the current year in addition to the
existing Grant of Rs. 10000 as already
reported in my No: 297 of 20th Decr.

3 I take this opportunity of bringing
to your notice that the estimate for
District Munsifs Court at Tichinopoly,
submitted on the 2nd Inst. last through
the District Judge, Tanjore, has not
yet been sanctioned. If this is not
at once sanctioned, the Grant of
Rs. 10000 for the work can not be spent
by the end of March next.

I have the honor to be,

Sir

Your most obedient servant,
