to state that the plan forwarded by
you for providing and fixing iron
safes for the Trichengode Sub of
Treasury was sent to the Board of

to Government for sanction. The
Government returned it with their orders
No. 935 miscellaneous dated 10th June/88
with the intimation that the application
should be renewed when the financial
pressure is renewed.

With reference to G.O. No.

to the Board of Revenue who have
promised to arrange for their supply.
