READ—the following letter from the Honorable R. W. BARLOW, Superintendent of Stationery, Madras, to the Chief Secretary to Government, Financial Department, dated Madras, 11th August 1887, No. 812 :—

Agreeably to G.O., dated 21st February 1884, No. 483 W., Public Works, I have the honor to forward herewith a specification, plan and estimate, for the construction of a separate staircase for the Stationery department of the Stamp office buildings, and to request that sanction of Government may be obtained for the carrying out of the work by the Public Works Department.

2. At present the clerks of the Stationery office and others who go there on business have to pass through the Stamp office, and the latter office has often to be kept open long after business hours to afford egress to them. This arrangement is both very inconvenient and unsafe.

Approved; and transferred to the Public Works Department, with request that funds may be provided for the work as soon as possible.

OOTACAMUND,
22nd August 1887.

Ag. Chief Secretary.

2. This sanction has been registered as Provincial No. 77 W. of 1887-88, and classified as Civil Buildings, Original Works.
