13TH OCTOBER 1887, No. 2702 W., PUBLIC WORKS.

22/1  
GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.  
Civil Works.

READ—the following letter from Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Wellington, 18th September 1887, No. 386 E.W.:—

I have the honor to forward, for sanction of Government and provision of funds, an estimate, amounting to Rs. 790, for providing lightning conductors to the Roman Catholic Church which is now under construction at Wellington, together with a specification.

2. I send also the letter of the Executive Engineer, Nilgiri Division, No. 1856, of 13th September 1887, for information.

ENCLOSURE.

From W. B. DEWINTON, Esq., Executive Engineer, Nilgiri Division, to the Superintending Engineer, IV Circle, Coimbatore, dated Ootacamund, 13th September 1887, No. 1856.

I have the honor to forward herewith an estimate, amounting to Rs. 790, with specification, for providing lightning conductors to the Roman Catholic Church now under construction at Wellington for early sanction and provision of funds.

2. The sanctioned estimate for this work provides for no lightning conductors, and as this item is very essential, I have, pending sanction to the enclosed estimate, ordered the Roman Catholic Chaplain to fix the conductor to the turret so as to take advantage of the scaffolding, which will shortly be dismantled, and trust you will approve of my action under paragraph 1252 of the Code.

ORDER—dated 13th October 1887, No. 2702 W., Public Works.

The estimate, amounting to Rs. 790, for providing lightning conductors to the Roman Catholic Church at Wellington, is sanctioned as supplemental to the estimate of Rs. 30,526 sanctioned in G.O. No. 3291 W., dated 14th December 1886, and the amount is appropriated from the Provincial reserve with the Government.

2. This sanction has been registered as Provincial, No. 101 W. of 1887-88, and classified as Civil Buildings, Original Works.

(True Extract.)

NOTE OF REMARKS.

1. The accompanying estimate is for providing Lightning conductors to the Roman Catholic Church at Wellington. The amount of the estimate is Rupees 790.
2. The copper rod and copper tape as per Appendix A are  $\frac{3}{8}$ " dia. and  $\frac{3}{4}$ " x  $\frac{1}{8}$ ", whereas  $\frac{3}{4}$ " dia. for the former and  $1\frac{1}{2}$ " for the latter respectively are provided in the estimate.
3. The earth plate in the Appendix A is  $3 \times 3 \times \frac{1}{16}$  whereas the estimate provides

Circ. 10-10-87  
O. 29.9.87. 10-10-87

provides  $4 \times 4 \times \frac{1}{8}$ .

4. It seems that the Engg. & Survey Division has ordered the Roman Catholic Chaplain to fix the conductor to the turret so as to take advantage of the scaffolding, which will shortly be dismantled.

5. The rates are fair.

6. A lump sum of Rs. 80 is provided in the estimate for soldering and fitting <sup>which</sup> joints, seems to be very excessive.

7. Contingencies & Petty supervision are separately charged at  $2\frac{1}{2}$  percent.

8. The estimate has been countersigned by the Roman Catholic Chaplain.
