SIR,

I have the honor to inform you that an excess outlay (Rs 1886) has been incurred over grants allotted to the following works in the Godavari Western D. in the last official year (1886-87). The Executive Engineer's only explanation of the cause of excess is that more work was done than was anticipated & it had to be paid for and I request you will be good enough to obtain the sanction of Government authorizing the Examiner to pass the excess outlay.
