Supp Engineer
2nd Division

To,

The Chief Engineer
Public works Dept.
Madras.

Sir,

The Executive Engineer
Mellore Division reports under
date the 20th Instant, Mr Vigor
was relieved on afternoon of 15th
September 1887, but that his relief
was not accepted by the Executive
Engineer as Mr Vigor has taken
Rs 150 from his Imprest without
authority, for his pay

2 Mr Vigor was
of course bound on relief
to

to hand over intact all public
money and property in his charge,
and I have therefore wired
and written to the Executive
Engineer Melrose that unless
Mr Vigor pays back the sum
he has failed to hand over
with his interest, a charge of
breach of trust in respect of
public money should be preferred
against him before a Magistrate

3 I will report further
as soon as I hear again, but
I trust that in the meanwhile
my action may be approved.

4 I have instructed
the Executive Engineer to
arrange to pay off Mr Vigor's
dues at an early date,
his

his salary at once and his tra-
-avelling allowances after audit.

I have the honor to be
Sir

Yours most obedient servant

Sir,

I have the honor with
reference to my No 456 M.L. of the 23rd ult.
to report that Mr E. Vigor late Super-
visor Mellore Division has paid
back the Rs 150.- which he
unauthorisedly took from his Imprest.

2 It appears that Mr Whitley
had withheld the whole of August
Salary to make good the probable
loss on some inferior work, which
Mr Vigor had paid for, thus though
Mr Vigor was not, I think, justified
in

in what he did, he had a good
excuse.

I have the honor to be
Sir,

Yours most obedient servant.
