ORDER—dated 15th September 1887, No. 1334, Public.

Payment of the equivalent of £95-16-0, to the Manager of the Agra Bank, on behalf of Messrs. E. P. Baker and Co., London, is sanctioned.

2. The following publications are reported not to have been received :—

Secretary to Government, Public Department.	} Three Acts of Parliament bound in low calf.
General Superintendent, Public Works Stores and Workshops.	
Assistant Director of Agriculture.	} The "Engineer" for 17th September and 3rd December 1886.
	} Southern Planter for Dec. 1886.
	} Cotton Plants for Nov. 1886.
	} Pacific Rural Press for 16th Oct. 1886.

These should now be supplied and the fact intimated to Government by Messrs. Baker and Co.

3. It would appear that there was some irregularity in the supply of copies of the War Office Army List, monthly edition, to His Excellency the Commander-in-Chief, owing to the books being addressed to the "General Officer Commanding Forces." Instructions have since been issued in the Military Department with a view to avoiding all possibilities of mistakes in future.

4. The Inspector-General of Police remarks that the *London Police Gazette*, supplied to his office under G.O., No. 2442, dated 23rd November 1886, Public, is not included in the present invoice, dated 1st April 1887. With reference to this, it is observed that the invoice recorded in G.O., No. 2252, dated 25th October 1886, included payment for this periodical for a whole year, and that an invoice, dated 20th July 1887, lately received, provides for another year's supply.

5. It is presumed that the cost of publications supplied to the Military and Public Works Departments as well as to Local Funds is recovered from these departments by the Accountant-General.
