2. The road on the Laramie
Tank Bund requires sanding in the
winter which it will be almost impossible
during the rainy weather. The grant of
\$900 is found to be insufficient for
putting

putting this road into good order. for which
a working Estimate of Rs 1300 has been
prepared. The road on the Leelavon banks
is in very fair order, and a transfer
of Rs 100 from the grant for this road
to that along the Veeranam Tank was
therefore applied for and has been
sanctioned by the Salug Board.
