With order

rate of rent, no area being given
in the authorized scale.

(3) In cases like the present
where a verandah is provided, is
this to be taken into consideration
in comparing the actual with the
authorized scale of accommodation
(in authorized scale a verandah
room is mentioned), or is it to be
neglected entirely. It seems
probable that a portion of the
verandah space might often without
difficulty be converted into the
messing verandah room or bath room.

6. I think it would be as well
to obtain the orders of the Govt.
of India.

No. 1390

MADRAS, D. P. W.,

Bangalore, 1st September 1887.

From, *Col. Ross Thompson*
The EXECUTIVE ENGINEER,

Presidency Division,

To,

THE *Examiner*

P. & Accounts
Madras.

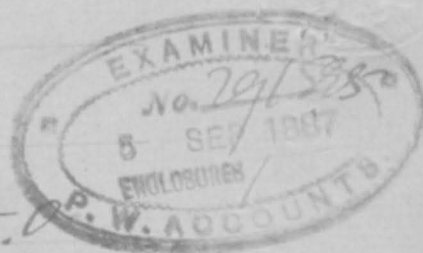

SIR,

Encls: 1

With reference to para 148 of
Audit Note on the accounts of this
Division for October 1886, I have the
honor to forward for your informa-
tion the copy of Sub-Officer's
Statement shewing the accommodation
provided in the Ordnance Lines,
Madras, from which it will be
seen that Quarters Nos. 1 to 32 have
accommodation more or less than
that authorized for a Sub-conductor
and Nos. 33 to 36 authorized for a
conductor. Rent has been fixed
and recovered at Rs 9.4.0 from
a conductor if he occupies the
former and Rs 12 from a conductor,
or a sub-conductor, at his own
request

request, if he occupies the latter.

Have it.
A Sample of it.

Madras, 3 October 1887.

OFFICE NOTE No. 603

To

W.

Encl. 2

* To be kindly returned

Please peruse letter No. 139 C

dated 1st. September 1887 from the
Executive Engineer Presidency Divi-
sion herewith forwarded with state-
ment showing the accommodation
provided in Ordnance lines Madras.
It is not clear how the Executive
Engineer arrives at Rs. 9-4-0 as the
rent to be paid by a Conductor
occupying quarters Nos. 1-32 in the
statement; nor is it quite evident
from the rules how such rent is to
be calculated.

2. The authorized accommodation
for a Conductor according to
Appendix C, Section I, is as follows:-

	sq. ft.
(a) Main rooms 2(18x16) — =	576
(b) Verandah 1(17x10) — =	170
(c) Bath rooms No area given	
(d) Servants houses 2(10x10) — =	200
(e) Cook room 1(10x8) — =	80
(f) Latrine 1(6x6) — =	36
(g) Stables 1(12x8) — =	96

Chakras/88

3. For the above accommodation a monthly rent of Rs.12 is recovered from Conductors not in P.W.D. or Military Works, and it is stated in Appendix C. Section II A. that if inferior quarters are provided a correspondingly reduced rate will be payable to the department -

4. The actual accommodation provided vide statement of area of quarters I to 32 is

	sq. ft.
(1) Front Verandah.....	315
(2) Sitting room.....	216
(3) Bed room.....	180
(4) Dressing room.....	108
(5) Dining room.....	128
(6) Bath room.....	60 $\frac{3}{4}$
(7) Cook room.....	80
(8) Latrine.....	39
(9) Godown.....	18
(10) do - -	36

5. The points as to which doubts suggest themselves are,

(1) Whether the rules (notes 2 and 3) in Appendix C Section II B. regarding compensation for inferior quarters apply also in calculating reduced rates of rent for inferiority.

(2) What area (if any) is to be allowed for the bath room for purposes of compensation or reduced
