READ—the following letter from J. H. TAYLOR, Esq., Lieut., R.N.R., Port Officer, Madras, to the Chief Secretary to Government, Marine Department, dated Madras, 11th January 1887, No. 143:—

During the bad weather in November last, the jetty at Negapatam sustained damages which called for immediate action being taken to repair the same. The Superintending Engineer, VI Circle, has accordingly submitted the accompanying estimate, amounting to Rs. 530, and requests that the same may be placed at the disposal of his department. The work is now in progress. The estimate is approved and countersigned by me, and I have the honor to solicit sanction to the same, an allotment being made from Port funds to cover the amount of the estimate as well as the prescribed allowance for establishment, tools and plant.

2. The letter and enclosures from the Superintending Engineer, VI Circle, No. 1483 T.J., dated 28th ultimo, forwarding the above estimate, is herewith enclosed.

Approved and transferred to the Public Works Department.

(By Order.)

(Signed) W. S. MEYER,
Asst. Secretary, M.D.
