SIR,

I have the honor to bring to your notice that in filling the permanent appointments of the office establishment sanctioned for the Ganjam Division in G. O. No. 1489 W of the 3rd June 1887 - the individuals shown in the accompanying statement, whose age is about 25 years, and who held temporary appointments in the late Rushikulya Division, have been nominated by the Executive Engineer to the posts shown in Column 2 of the statement; their claims are briefly

Encls: to accompany
Letter No 371 G.N. 11/8/87
from the Suptg Engineer
to the Chief
Engineer P.W.

Stated in the remark column of the Statement. This Statement includes also certain surpassed men who have been appointed to the situations therein shown which they are not entitled to hold according to the rules.

(2) As these men have for some time past whilst the Commission was a temporary one satisfactorily performed the duties of their respective posts and as the Executive Engineer is anxious to retain their services, and as also a proposition is likely soon to be made to again separate the Rushikulya from the Ganjam Commission in which case it (the Rushikulya Dⁿ) will I suppose again become a "temporary Division" I have the honor to recommend that they may be allowed to remain in the various posts set down in the Statement as "temporary" men.
