GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

Read—the following letter from Lieutenant-Colonel J. PENNYCUICK, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Kodaikánal, 22nd August 1887, No. 297 T.C. :—

I have the honor to request that sanction of Government may be obtained to the undermentioned modification of budget allotments under Provincial, Civil Buildings :—

From Trichinopoly division.	RS.	*To* Trichinopoly division.	RS.
(*a*) Lump sum grant for minor works.	1,419	(*b*) Constructing a district jail at Trichinopoly	1,419

2. (*a*) Under some misapprehension Rs. 2,500 for minor works were applied for by the Executive Engineer; it is now observed that there is no likelihood of any demand being made under the head during the current year. From this sum a transfer of Rs. 1,081 have been already proposed in this office No. 437 M.D., of 2nd August 1887, and No. 325 T.N., of 15th idem, and the balance of Rs. 1,419 is now recommended for transfer to the Trichinopoly district jail.

3. (*b*) For the district jail above alluded to a sum of Rs. 10,000 has been granted in the current year's budget, and this will be spent by the end of September 1887; and as materials are ready, another sum of Rs. 10,000 will be spent before the end of the official year. To meet partly this demand the above transfer of Rs. 1,419 is recommended, and, if possible, I would request that the balance, Rs. 8,581, may be granted by Government, as I cannot at present propose any transfer from the existing grants in the circle.

4. On the jail in question Rs. 51,466 were spent up to end of the last official year; a revised estimate, amounting to Rs. 78,280, was forwarded on the 26th June 1887 to the Inspector-General of Jails for submission to Government, but it was returned by that officer with his No. 3339 of 15th July 1887 for further revision. It will be resubmitted as soon as received back from the Executive Engineer.

Order—dated 5th September 1887, No. 2394 W., Public Works.

As the sum available from the current year's allotment to the Trichinopoly division under Provincial, Civil Buildings, Minor Works, is Rs. 1,500 (*vide* G.O., No. 2312 W., dated 26th August 1887), that amount is transferred to the district jail at Trichinopoly.

2. The question of providing additional funds required for the jail will be considered on receipt of the revised estimate, which the Superintending Engineer reports is now under preparation.

READ—the following letter from Lieutenant-Colonel J. PENNYCUICK, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Chinnammanúr, 9th September 1887, No. 1098 T.J :—

In continuation of my letter No. 297 T.C., of the 22nd August 1887, I have the honor to state that the current year's allotment of Rs. 15,000 * for "alterations and improvements to St. Joseph's College buildings to fit them for use as public offices" at Negapatam is not likely to be fully utilised by the end of March next. As the estimates for the improvements could not all be prepared in time, and only two, amounting to Rs. 1,740, have hitherto been sanctioned, and those remaining, amounting in the aggregate to Rs. 20,620, submitted on the 20th August 1887 through the several heads of departments concerned, as reported in my No. 984 T.J., dated 20th idem, are not likely to be sanctioned at once.

2. I would therefore, for the present, recommend, for sanction of Government, the transfer of Rs. 5,000 from the grant of Rs. 15,000 above referred to, to the construction of the District Jail at Trichinopoly. On this work a sum of Rs. 10,000 can be well laid out during the current year in addition to the existing grant of Rs. 10,000 as already reported in my No. 297 T.C., dated 22nd August 1887.

3. I take this opportunity of bringing to your notice that the estimate for District Munsif's Court at Tiruvalúr, submitted on the 2nd June last through the District Judge, Tanjore, has not yet been sanctioned. If this is not at once sanctioned, the grant of Rs. 10,000 for the work cannot be spent by the end of March next.

ORDER—dated 28th September 1887, No. 2573 W., Public Works.

In the circumstances explained by the Superintending Engineer, the following transfer of funds is sanctioned:—

2. The estimate for the District Munsif's Court at Tiruvalúr having been sanctioned in G.O., No. 2491 W., dated 21st September 1887, it is hoped that the grant for the work will be fully utilised.
