7TH FEBRUARY 1885, No. 297 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—again the following papers :—

Proceedings of the Government of India Public Works Department (General),
dated Fort William, 13th December 1884, No. 1442 G.

Reorganisation of the Engineer Establishment of the Public Works Department.

Read again—

Despatch to the Secretary of State, dated 21st April 1884, No. 15.

Read also—

Despatch from the Secretary of State, dated 1st November 1884, No. 71.

Resolution—

In accordance with the decision of the Secretary of State, the Governor-General in Council directs the publication of the following orders regarding the Engineer Establishment of the Public Works Department :—

- I (a). The number of Executive and Assistant Engineers on any list, taken together, will be divided equally between the two classes, an addition of one to the number of Executive Engineers being made for a fraction.
- (b). The number of Executive Engineers in the 1st, 2nd, 3rd and 4th grades will be in the proportion of 9, 10 and 12, respectively.
- (c). Half the number of Assistant Engineers will be in the 1st grade, an addition of one being made for a fraction.
- (d). The numbers in the three higher grades of Executive Engineers, and in the 1st grade of Assistant Engineers, as determined by (b) and (c), will be increased so as to allow for the permanent promotion of a number of officers from the junior grades of those classes, corresponding to the normal number of officers on furlough, as ordered in Public Works Department resolution, No. 1174 G., dated 4th June 1880.

II (a). The pay of the following grades will in future be :—

Executive Engineer, 3rd grade,	Rs. 700 a-month.
Do. do. 4th grade,	600 do.
Assistant do. 1st grade,	500 do.

- (b). Assistant Engineers, 2nd grade will receive Rs. 400 a-month, instead of Rs. 350, after three years' service in the grade.
- (c). In the cases of officers of Royal Engineers who draw staff salary in addition to military pay and allowances, the increases under (a) and (b) will take the form of an addition of Rs. 50 a-month to staff salary and to the maximum pay of their grade.
- (d). The increase of Rs. 50 a-month to salaries of Assistant Engineers, 2nd grade, after three years' service in their grade, will be given on specific recommendations on account of satisfactory service, and cannot be claimed as a right. The increase may be sanctioned by Local Governments and Administrations.

III. Certain Civil Engineers, with English training, appointed in India will be allowed the same privileges under the pension rules in all respects as officers included in schedule I, II and III (1) of the Civil Pension Code. A nominal roll of these officers will be added to the Civil Pension Code hereafter.

IV. In regard to Civil Engineers appointed in India from the Civil Engineering Colleges or otherwise, and not included under III, who may rise to the rank of Superintending Engineer, the Government of India will be prepared to consider favorably their admission to the pension rules applicable to those included in schedule B, I, II and III (1). This rule is subject to any general restriction that may hereafter be prescribed as to the amount of pension payable to public servants who are natives of India.

V. Civil Engineers who were appointed to the department as Assistant Engineers, 1st grade, after they had left other employment in India, will be allowed, on account of previous experience, to add to their pensionable service a period not exceeding three years, provided such previous experience was not acquired before the age of 25.

VI. These rules will come into force on 1st January 1885.

Order—

Ordered that this resolution be communicated to the Local Governments, Administrations and officers noted in the margin, and that it be published in the *Gazette of India*, and in all local official gazettes.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.
The Chief Commissioners, Central Provinces, British Burma, Assam, and Coorg.
The Resident at Hyderabad.
The Agents to the Governor-General for Central India, Rajputana, and Biluchistan.
The Accountant-General, Public Works Department.
The Inspector-General of Military Works.
The Director-General of Railways.
The Consulting Engineers to the Government of India for Guaranteed Railways, Calcutta, Lahore and Lucknow.
The Superintendent of Works, Simla Imperial Circle.

Proceedings of the Government of India, Public Works Department (General), dated Fort William, 20th December 1884, No. 1475 G.

Reorganisation of the Engineer Establishment of the Public Works Department.

Read again—

Resolution in the Public Works Department, dated 13th December 1884, No. 1442 G.

Resolution—

The Governor-General in Council directs that the following orders may be issued in continuation of the resolution now read again.

2. It is to be observed that the division of the whole staff of Executive and Assistant Engineers between those two classes is to be made on the actual and not on any sanctioned number on each list.

3. In working out the proportion in each grade of Executive Engineers under I (b), an addition of one may be made for a fraction greater than one-half.

4. The method of adjusting the number of Executive and Assistant Engineers in each grade under I (d) will be as follows:—

Add to the 1st grade of Executive Engineers 20 per cent. of its own number and 20 per cent. on the number of superior officers.

Add to the 2nd and 3rd grades of Executive Engineers, respectively, 20 per cent. on their own number.

Deduct from 4th grade of Executive Engineers the sum of the numbers added to the three higher grades.

Add to the 1st grade of Assistant Engineers $12\frac{1}{2}$ per cent. of its own number and 20 per cent. of all higher grades.

Deduct from the 2nd and 3rd grades of Assistant Engineers the number added to the 1st grade.

5. An example for 100 Executive and Assistant Engineers is worked out below:—

Superior officers	...	...	...	* 7		
Executive Engineers, grade	i	...	10	+	2	+ 1.4 (3) = 13
Do. do. do.	ii	...	12	+	2.4	(2) = 14
Do. do. do.	iii	...	13	+	2.6	(3) = 16
Do. do. do.	iv	...	15	—	8	= 7
Assistant Engineers, grade	i	...	25	+	3.125	+ 11.4 (15) = 40
Do. do. do.	ii & iii	...	25	—	15	= 10

Order—

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.
The Chief Commissioners, Central Provinces, British Burma, Assam, and Coorg.
The Resident at Hyderabad.
The Agents to the Governor-General for Central India, Rajputana, and Biluchistan.
The Accountant-General, Public Works Department.
The Inspector-General of Military Works.
The Director-General of Railways.
The Consulting Engineers to the Government of India for Guaranteed Railways, Calcutta, Lahore and Lucknow.
The Superintendent of Works, Simla Imperial Circle.

Ordered that this resolution be communicated to the Local Governments and Administrations named in the margin, for information and guidance, and to the Military Department for information.

Proceedings of the Government of India, Public Works Department (General), dated Fort William, 30th December 1884, No. 1515 G.

Reorganisation of the Engineer Establishment of the Public Works Department.

Read again—

Resolution in the Department of Finance and Commerce, dated 18th April 1884, No. 449.
Despatch from the Secretary of State, dated 13th November 1884, No. 71.

Read also—

Resolution in the Public Works Department, dated 13th December 1884, No. 1442 G.

Resolution—

In continuation of the resolutions now read, the Governor-General in Council directs the issue of the following orders regarding engineers transferred to other branches of the department:—

1. For the purpose of computing pension under resolution of the Department of Finance and Commerce, No. 449, dated 18th April 1884, the following statement of equivalent rank will be held applicable:—

Civil Engineers in class I of the State Railway Revenue Establishment,
Do. in classes I, II and III of Examiners of Public Works Accounts, will be treated as Superintending Engineers.

2. The additional Rs. 50 a-month given to Executive Engineers, 3rd and 4th grades, and to Assistant Engineers, 1st grade, under Public Works Department resolution No. 1442 G., dated 13th December 1884, will also be given to Civil or Military Engineers transferred to the Accounts Branch and holding the rank of Examiners, class IV, grade 3, or Deputy Examiners. Also the Rs. 50 authorised for Assistant Engineers, 2nd grade, after three years' service in their grade, will be given to the Assistant Examiners, 1st grade, who have been so transferred on the same conditions, under the orders of the Government of India.

* This number should be the number of Chief and Superintending Engineers specially sanctioned for the Province or list.
A fraction of one-half or more adds one to the grade.

Order—

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.
 The Chief Commissioners, Central Provinces, British Burma, Assam, and Coorg.
 The Resident at Hyderabad.
 The Agents to the Governor-General for Central India, Rajputana, and Biluchistan.
 The Accountant-General, Public Works Department.
 The Inspector-General of Military Works.
 The Director-General of Railways.
 The Consulting Engineers to the Government of India for Guaranteed Railways, Calcutta, Lahore and Lucknow.
 The Superintendent of Works, Simla Imperial Circle.

Ordered that the resolution be communicated to the Local Governments, Administrations and officers noted in the margin.

From A. B. SAMPSON, Esq., Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 27th January 1885, No. 141 G.

In reply to your letter No. 154 W., dated 17th instant, I am directed to state that the Government of India has no later information before it of the actual present number of Executive and Assistant Engineers in each grade than that contained in the Madras Classified List corrected up to

* The later Classified List has now been received and the actual strength in each grade corresponds with the figures in this letter. 30th June 1884,* and it is therefore not possible to say whether the number of promotions from grade to grade proposed in your letter is correct.

2. Taking, however, the number in the latest Classified List as an example, only deducting Mr. Target, the promotions that could be made would be determined as follows for a total strength of 81 Executives and Assistants:—

Actual.	Scale.	Promotion.
9 9	11 11	2
10 19	11 22	3
11 30	13 35	5
11 41	6 41	0
— —	— —	—
23 64	32 73	10
17 81	8 81	...

3. Promotions sub. *pro tem.* may then be made in place of all officers on deputation, and temporary promotions from 1st-grade Assistant to 4th-grade Executive for all Executive and Superintending Engineers on furlough.

ORDER—dated 7th February 1885, No. 297 W., Public Works.

Ordered to be communicated to officers of the Public Works Department for information and guidance.

2. The promotions admissible under the concessions now sanctioned will be separately notified.

READ—the following letter from A. B. SAMPSON, Esq., Under Secretary to the
Government of India, Public Works Department (General), to the Secretary
to the Government of Madras, Public Works Department, dated Fort
William, 5th March 1885, No. 345 G. :—

In reply to your letter No. 160 W., dated 19th January 1885, I am directed to
state that the Governor-General in Council is pleased to rule that Mr. J. W. Rundall,
Superintending Engineer, may be admitted to the benefits of the pension rules appli-
cable to civil engineers included in schedule B. I, II and III (1) of the Civil Pension
Code, provided that at the time of retirement the Madras Government should still
consider him deserving of the boon.

ORDER—dated 12th March 1885, No. 584 W., Public Works.

Communicated to Mr. Rundall, for information.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following docket from G. H. D. WALKER, Esq., Officiating Under Secretary to the Government of India, Public Works Department (General), dated Fort William, 16th March 1887, No. 581 G. :—

The following is forwarded to the Government of Madras, for information, with reference to Public Works Department No. 345 G., dated 5th March 1885.

From the Secretary to the Government of India, Public Works Department, to the Secretary to the Government of Bengal, Public Works Department, dated 15th March 1887, No. 580 G.

I am directed to refer you to paragraph 2 of Public Works Department letter, No. 618 G., dated 1st May 1885, and to the subsequent letter, No. 32 G., dated 8th January 1886, communicating orders on a memorial from Mr. W. H. Parker, Superintending Engineer, in which he prayed that he might be unreservedly and at once admitted to the benefit of the more favorable pension rules for Civil Engineers; and to inform you that, on further consideration of the matter, the Government of India has decided that Mr. Parker and other officers admitted, with the special sanction of the Government of India, to the more favorable rules, by virtue of having risen to the Superintending Engineer class under clause IV of resolution, No. 1442 G., dated 13th December 1884, may be unreservedly admitted to those rules at the time of the special sanction being given, it being understood that the pension ultimately sanctioned for them, when they retire, is subject, as all pensions are, to the provision of section 69 of the Civil Pension Code.

2. I am to add, however, that the Secretary of State has ruled that officers not appointed from the Indian Civil Engineering Colleges who are admitted to the more favorable pension rules under clause IV, resolution No. 1442 G., dated 13th December 1884, cannot count service rendered before the age of 22 as service for pension, and that it was through oversight that an exception in this sense was not made when issuing the above orders. A special order will in due course issue on this subject.

ORDER—dated 23rd March 1887, No. 882 W., Public Works.

Communicated to officers concerned, with reference to G.O., No. 297 W., dated 7th February 1885.
