PROCEEDINGS OF THE BOARD OF REVENUE
(Land Revenue).

Read—the following letter from W. LOGAN, Esq., Collector of Malabar, to the Secretary to the Board in the Department of Land Revenue, dated Calicut, 8th April 1887, No. 1649:—

In giving effect to the orders of the Government of India approving of the reduction in the number of British troops stationed in this district, especially those at Cannanore, the whole of the Royal Artillery and a portion of the European Infantry barracks there have been vacated and are available for the use of the Civil department. If the buildings are placed at the disposal of the Revenue, Judicial and Municipal departments, the Courts of the Cantonment Magistrate and of the District Munsif at Cannanore, which are held at present in rented buildings, can be advantageously transferred to them, and a portion may be utilised for the Municipal office and dispensary.

2. When the Chairman, Municipal Council, Cannanore, was asked if any part of the buildings would be required by the town council, he replied that before he could give any definite answer he would like to know what, if any, rent would be charged for the use of the buildings for municipal purposes. He has recently been informed, as pointed out by the Executive Engineer, that a rent of $7\frac{1}{2}$ per cent. on the cost would be charged, and no intimation of the council's final decision has been received from him since.

3. The Deputy Assistant Quartermaster-General, Southern District, inquired, in December last, if the Civil department could make use of the buildings in question in case they were made over on the usual conditions. And in reply to a communication I made to him in the above sense (paragraph 1), I am informed that Government should be addressed in the Revenue department.

4. I have the honor, therefore, to request that Government may be moved to have the Royal Artillery barracks placed at the disposal of the Civil department. I am unable to suggest any use to which the unoccupied portion of the European Infantry barracks could be put.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following letter from E. COLLEN, Esq., Officiating Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 6th August 1887, No. 1618 M.W.:—

I am directed to acknowledge the receipt of your No. 1562 W., dated 10th June 1887, recommending that, in consideration of the small office allowance drawn by the Deputy Assistant Adjutant-General, Southern district, the rent for the quarters in the upper storey of No. 4 block of married quarters at Wellington occupied by his office may be fixed at Rs. 20 per mensem.

2. In reply, I am to state, for the information of the Governor in Council, that the Government of India regret to be unable to sanction this low rental. It appears that the proportion for office rent included in the office allowance of Divisional and District Staff officers generally in the Madras Presidency is Rs. 30 per mensem, and that it is not drawn when office accommodation is provided in a Government building. This sum should, therefore, the Government of India consider, be paid in the present case on account of office rent.

3. I am to remark, however, that the proper rent for a building valued at Rs. 8,000 is Rs. 40 per mensem, or at the rate of 6 per cent. per annum of the value of the building. This rate was fixed after long consideration of the subject and communication with the Secretary of State, and the Government of India would wish it to be adhered to in all cases.

ORDER—dated 22nd August 1887, No. 2241 W., Public Works.

Communicated to the Superintending Engineer, IV Circle, and the Military Department, for information and guidance, with reference to G.O., No. 1562 W., dated 10th June 1887.

2. With advertence to paragraph 3, the rent to be charged for Imperial Military buildings, when not fixed by a special scale or particular order of the Government of India, will in no case be fixed at a lower rate than 6 per cent. on the actual or estimated capital cost of the building.

G.O., dated 7th July 1887, Mis. No. 1449, Judicial.

Read—the following letter from A. THOMPSON, Esq., Acting District Judge of North Malabar, to the Chief Secretary to Government, dated Tellicherry, 28th June 1887, No. 312:—

With reference to G.O., No. 1315, dated 18th instant, Judicial, I have the honor to state that my predecessor, Mr. H. Sewell, inspected the Royal Artillery Barracks, Cannanore, on the 29th January last, and finding that there was excellent accommodation for a District Munsif's Court, asked for the sanction of the High Court for the transfer of the Cannanore District Munsif's Court to the barracks from the building now rented at 20 rupees a month.

2. The High Court, in their Proceedings of 1st March 1887, stated that they saw no objection to the removal of the court on condition that the building was not likely to be soon required again by the military authorities.

3. In a subsequent communication received from the Deputy Assistant Quartermaster-General, through the Sub-Collector, the former stated that it was not likely that the building in question would be soon again required, and that he had made a reference to the Quartermaster-General on the subject.

4. There will therefore be no objection to the removal of the Cannanore District Munsif's Court to the Artillery Barracks as soon as a definite reply is received from the military authorities.

With reference to G.O., No. 1315, dated 18th instant, Judicial, I have the honor to state that my predecessor, Mr. H. Sewell, inspected the Royal Artillery Barracks, Cannanore, on the 29th January last, and finding that there was excellent accommodation for a District Munsif's Court, asked for the sanction of the High Court for the transfer of the Cannanore District Munsif's Court to the barracks from the building now rented at 20 rupees a month.

2. The High Court, in their Proceedings of 1st March 1887, stated that they saw no objection to the removal of the court on condition that the building was not likely to be soon required again by the military authorities.

3. In a subsequent communication received from the Deputy Assistant Quartermaster-General, through the Sub-Collector, the former stated that it was not likely that the building in question would be soon again required, and that he had made a reference to the Quartermaster-General on the subject.

4. There will therefore be no objection to the removal of the Cannanore District Munsif's Court to the Artillery Barracks as soon as a definite reply is received from the military authorities.

Order—dated 7th July 1887, Mis. No. 1449, Judicial.

The Government await the reply of the military authorities referred to in paragraph 4.

With reference to G.O., dated 7th July, No. 1449, Judicial, I have the honor to report that the Deputy Assistant Quartermaster-General, in his letter, No. 2189, dated 21st July, states that "the civil authorities ought to address Government in the Revenue Department when the question will be submitted by Government in the Military Department for the Commander-in-Chief's opinion or otherwise;" but that "as far as is at present known, the military barracks are not likely to be required, but that this is a matter which will be subject to decision under the procedure above mentioned."

Referred, with copy of G.O., dated 7th July 1887, No. 1449, to the Military Department, in view to the opinion of His Excellency the Commander-in-Chief being

To the Quartermaster-General.

From Brigadier-General E. FAUNCE, Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 12th September 1887, No. 3225 A.

In returning the enclosures received under reference order, No. 5026 of the 17th August 1887, I am desired by the Commander-in-Chief to say that, as there is no probability of the Royal Artillery Barracks at Cannanore being wanted again for military purposes at present, His Excellency has no objection to the buildings noted in margin, which it is understood the Judicial Department wants, being made over to it for use as a Civil Court, &c., but on the understanding that they shall be vacated (subject to reasonable notice) if it should happen that they are again required for military purposes.
