Coimbatore,

Sir,

I. I am in receipt of your letter of 3rd instant No ^{3/2}_M with copy Trust deed of the Break's Memorial School Building. This is another copy of the deed, copy of which was forwarded with your Memo No ³⁷⁰_M dated 13th November 1886 and endorsed on a letter to you from the Executive Engineer Nilgiri Division No 2541 dated 13th November 1886. From such last mentioned copy deed the Acting Government Solicitor prepared a draft conveyance of the premises to Government, and which was returned with your letter of 9th June last No 196 with a suggestion that a new deed should be prepared as the one already prepared was not, according to Mr Cowdell's Memorandum, in respect of the premises to be taken over by Government. The enclosure to your letter under reply is therefore useless to me, and I beg to call your attention to para 3 of the Acting Government Solicitor's letter No 299 dated 13th June last. I return the copy deed enclosed in your letter under reply.

2.

I shall be obliged if you will let me know why so

letter of 21st June last No 255 to the address of the Chief
Engineer was sent to the Acting Government Solicitor instead
of to the Chief Engineer direct as the former had apparently
nothing to do with the payment of the debentures. I have now
sent the letter on, but I would point out that the orders
therein requested, regarding the payment of debentures due on
the Brecks Memorial School, were apparently passed so far back
as August 1886. By G. O dated 4th August 1886 No 1923 W
Public Works " Government agrees to pay off the debt of Rs.
"6000 when the new buildings have been completed and the exist-
ing school buildings are being conveyed to the State" This
conveyance cannot be completed without the document asked for
in the Government Solicitor's letter of 13th June last No 299

Sir,

1. With reference to the Deputy Chief Engineer's docket da-
-ted 3rd instant No. 2963 C and made on a letter from the Super-
-intending Engineer 4th Circle dated 31st August last No. 366 E.W. which
I return herewith, I beg to enclose the letter No. 255 E.W. referred to
in that letter, together with copies of a letter dated 3rd instant
No. 312 E.W. from the Superintending Engineer 4th Circle to the address
of the Acting Government Solicitor and my reply thereto dated this
day No. 460. This correspondence will inform you of the position of
affairs connected with the Breck's Memorial School premises at
Ootacamund.

2. The reason why the letter No. 255 E.W. was not forwarded by
the Acting Government Solicitor is that he was unable, as I am, to
understand why it was sent to him and thought it was merely a copy
sent for his information.
