REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read Again Miss G. O.

No. 3398 dated 13th June 1887.

Read also the following
Proceedings of the Board of Revenue
(Land Revenue), dated 10th Oct 1887
No. 3672 Miss. on letter from the
Collector of Tanjavar dated
28th September 1887, No. 568.

With reference to your
letter No. 1600 dated 23rd July 1887,
I have the honor to inform
you that the Taluk cutcherry
at Hindupur was condemned
by the subsidiary Jail Com-
mittee in 1868 as an inferior
building, too small for the
Revenue and Magisterial
requirements of the Taluk.

The Committee recommended the erection of a new building at this place on the standard design and the recommendation was accepted by the Government; but it is not likely that funds will be available for this work, till new offices urgently required elsewhere in the district are built.

2. It is not ascertainable when the taluk cutcherry at Hindupur was built; but I should think the provision of iron safes, in place of the proposed strong room will answer the purpose for the present.

Submitted to the Commissioner of Land Revenue with reference to Board's Proceedings Miscellaneous, No 1963 dated 18th July last.

2. Two iron safes in addition to the one indented for in this office letter No 369 dated 8th August 1886, will meet the requirements of this treasury both for securing cash and stamps - They might be in the pattern of almirahts, so that they may without difficulty be opened by the Taluk Shroffs who have no gollars to assist them as in the Hengur Treasury.
