District Board Engrs Office
Coimbatore 13th Oct 1887

From

E. Haldwell Esq.

Dist. B. Engineer, Nilgiris.

To

W. B. de Winton Esq.

By: Engineer, Nilgiris.

Sir,

I have the honor under instructions
from the Collector of the Dist. to inform you that
a sum of Rs. 200 is due for the plot of land in
which the Cherambadi Inspection ^{Lodge} ~~Building~~
has been built, and to solicit you will
kindly arrange for the payment of this amount.

No provision for purchase of site was made
in the estimate, as it was originally proposed
to construct the Lodge on a bit of land that
we expected to obtain for a merely nominal
price that could have been met from
contingencies, but at the last moment
claims of disputed ownership caused
negotiation to fall thro: and the present site
on Mr. Jeremiah Ryan's land had to be
acquired instead, at the cost mentioned

viz Rs 200.

I attach a survey sketch of the plot,
the area of which is 0.31 acres.

NOTE OF REMARKS.

The accompanying
is a supplemental
estimate amounting
to Rs 200 for compensation
of land taken up
for the construction
of the Quersun Inspection
Lodge & subsidiary
buildings sanctioned
in G.O. No 11054/3/5/86.

It is explained
in letter No 221 of 13th
Oct/87 from the
Engineer of the
District Board
that no provision
has been made in the
original estimate

for the purchase of
land as it was
expected that the
small strip of land
required for the
site of the building
could be had
at a nominal
value which could
be met from the
contingencies, but
a dispute arose
as to ownership
and the negotiations
fell through a friend
like was therefore
obtained on Mrs.
Jeremiah's land.

The price was £200
required for the land,
which it is stated
only measures $50 \times 30 \frac{1}{2}$
= 0.31 acres, seems
surprisingly high.

³⁰⁰²
The plan & estimate
do not appear to
be countersigned
by the President
of the District
Board but as
the building is
apparently intended
for the P.W.D. the
countersignature
of the President
may not be
necessary in this
case.
