READ—the following letter from Brigadier-General E. FAUNCE, Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 2nd September 1887, No. 3102 A. :—

The Divisional and Public Works Department authorities at Bangalore having omitted to utilise the grant of Rs. 1,210* made in the final issue of the budget for 1886-87 on account of alterations to the British Cavalry barracks to provide for the extra strength of a regiment on the present organisation (India Army Circular, 22nd July 1887), it is necessary for the Commander-in-Chief now to ask Government, in anticipation of the arrival about end of December of the 21st Hussars in relief of 12th Lancers, to allow the necessary work to be carried out at once to those barracks, letting funds be provided later on, when re-appropriations are made.

2. A saddle room, to cost Rs. 4,500, will also be required, and His Excellency would wish this to be provided for also this year if possible; he has accordingly called for plans and estimates for it in hopes that funds may be found for it by re-appropriation; should this, however, prove impracticable, it must be provided for in the budget of the coming year.

No. 5493, Military.

Transferred to the Public Works Department for favorable consideration with reference to G.O., No. 1084 W., dated 29th April 1886.
