LAND REVENUE

To  
J. Lee Warner Esquire  
Collector of Tinnevely  
The Secretary to the  
Commissioners of Land Revenue  
Madras.

Sir,  
I have the honor to state  
that the Government in their order No 147  
dated 18 January 1886, Public Works Embodied  
in Board's Pro Memo No 916 dated 18 February  
1886 have sanctioned a sum of Rs 2070 for  
additions and alterations to be made  
to the Kuzur Treasury at Kozhikode.  
These improvements were carried out  
by the Public Works Department  
and finished only in August last. The  
Executive Engineer was then called upon  
furnish a certificate as to the safety  
of the building under note C para 22  
Chapter 28 of the Civil Account Code  
4 Edition. He now states that he

5  
Rev. 824/187

Cannot grant the certificate until the walls on three sides of the building which were not included in the above estimate but which have cracked owing to absence of proper foundation & are almost dangerous, be rebuilt. For this work he has furnished an estimate of Rs 800 which is herewith submitted duly approved by me.

The building is still used as a strong room as approved by Government in their order no. 1525 dated 17 November 1885. In my half yearly Treasury Inspection report sent to the Accountant General, in reply to question whether copy of the Executive Engineer's Certificate is being kept, I have stated that the same has been called for from the Engineer.

No provision was made in the Budget Estimate for petty construction & repairs for the current official year. As the work is however of an urgent nature

I have the honor to request that you will be good enough to obtain the sanction of the Board for the allotment of Rs 800 from the lump sum of Rs 4300 reserved for the purpose (vide para 10 of Board's Proceedings No 229 dated 7 February 1887) and to make necessary arrangements to place the amount through Government at the disposal of the Public Works Department with reference to para 1886 of the Public Works Code.

I have the honor to be
