16TH NOVEMBER 1887, No. 3089 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following letter from H. R. GRIMES, Esq., Inspector-General of Jails, to the Chief Secretary to Government, dated Bellary, 24th October 1887, No. 388:—

I have the honor to submit the accompanying plans and estimate for the construction of a solitary cell in the female yard of the district jail at Tinnevely, to carry out the sentences of solitary confinement under section 73 of the Penal Code, or separate confinement when awarded as a jail punishment; at present, for the want of proper accommodation, such sentences are carried out in one of the wards of the female block.

2. Also a small latrine is much required for the use of civil debtors; the latrine in the under-trial ward is used by the debtors. The under-trial yard is invariably full and at times these class of prisoners necessarily mix together, which is highly objectionable.

3. The outlay on these works has been estimated at Rs. 1,128 by the Department Public Works, and as these works cannot be carried out without the agency of the professional department, I therefore request if the works are approved of and sanctioned, the same may be transferred as a Public Works charge for execution by that department and funds sanctioned accordingly.

4. The specification and report are also submitted.

No. 861 R, Judicial.

Approved and transferred to the Public Works Department.

(By Order.)

FORT ST. GEORGE,
