READ—the following letter from J. LEE-WARNER, Esq., Collector of Tinnevelly, to the Secretary to Government, Public Works Department, dated Tinnevelly, 7th November 1887, No. 280:—

Adverting to the notification published in the *Fort St. George Gazette*, dated 7th June last, page 418, concerning the acquisition of a site for a Christian burial-ground within the limits of the Tuticorin municipality, I have the honor to request that the same may be cancelled, and to express my deep regret that I moved the matter before all essential preliminaries had been settled.

2. It came to notice after the notification had been published that the Sub-Collector had forgotten to take the permission of the municipality for the establishment of a burial-ground within municipal limits. The matter was therefore placed before a meeting when the councillors unanimously declined to give the license necessary under section 236 of the District Municipalities Act. Moreover, when the council was asked whether it would award any sum of money as compensation for other land to be acquired outside of municipal limits, it passed a resolution that this would not be a just charge on municipal funds. Thus the whole matter has fallen through, and I have no other proposal to lay before the Government in place of the one for which the notification was published.

3. The Christians, if they want a new burial-ground, will have to make their own arrangements for the purchase of a suitable field.

ORDER—dated 18th November 1887, No. 3116 W., Public Works.

Ordered that the notification in question be cancelled and that the following notification be published in the *Fort St. George Gazette*:—

The notification published at page 418, part I of the *Fort St. George Gazette* of 7th June 1887, in regard to land proposed to be taken up for a grave-yard for Protestant Native Christians in Tuticorin, is hereby cancelled.
