Read—the following letter from the Collector of Anantapur, dated 29th July 1887, No. 491:—

Agreeably to the sanction accorded in Board's Proceedings, Mis. The Examiner of Public Works Accounts has rejected this item of expenditure on the ground that there is no provision in the Public Works Department budget for the current year (*vide* copy of extract from objection statement enclosed). I have therefore the honor to request that the Board will be pleased to make provision to meet this debit from such source as they think fit and instruct the Examiner of Public Works Accounts to admit the charge already incurred.

2. The establishment entertained at the Kalyandrug station, in the Anantapur district, for the registration of traffic in connection with the projected lines of railways was, by mistake, kept up for one month and seventeen days in excess of the sanctioned period. The Board called for explanation, and, on being satisfied that the mistake was unavoidable under the circumstances, sanctioned the disbursement of the salaries for that period (Board's Proceedings, dated 26th January 1887, No. 534). The money was, however, drawn and paid only on the 18th May 1887, and the Examiner of Public Works Accounts objects that there is no provision in the Public Works budget.
