READ—the following papers:—

From G. T. WALCH, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 13th April 1887, No. 27 G.L.

With reference to G.O., No. 921 W., dated 25th March 1887, I have the honor to enclose a statement, in form M. 184, showing the office and petty (office) establishments required for the new Ganjam division and Central division, Godáviri.

2. It will be seen that in this I enter another sub-division (might be called "Berhampore") in addition to the three for the Rushikulya works and the Chicacole sub-division, for if the Rushikulya works be carried on as they should be, none of the sub-division officers on them could attend to the requirements of the division elsewhere and certainly the Chicacole sub-division officer could not look after that part of the division lying about and to the north and east of Berhampore, including that military station, Chatrapur, and Gopálpur, with their buildings and works, the Chilka lake canal, &c.

3. Owing to the reduction of the number of sanctioned upper subordinates in the Western division, Godáviri, from seven to five (see G.O., No. 913 W., dated 25th March 1887), there will be two clerks, V class, 1st grade, available for transfer to other parts of the circle where required.

Sir,

With reference to your letter No. 1027 G. D. dated 15th July 1887, I have the honor to state that the persons referred to, were at first employed in temporary establishment and subsequently transferred to a Division, which has been ordered to continue as a separate and permanent office Establishment.

2. It appears therefore that these men have not been confirmed in the very same temporary appointments which they originally held. Their admission to public service after the age of 25 years consequently requires the previous sanction of Government.

Sir,

The Godavari Central Division which was a temporary one, was ordered to be abolished together with its temporary Establishment and to be amalgamated with the Godavari Western Division from 1st March 1887. All the temporary Establishment was consequently abolished from the above date with the exception of a few clerks who were kept on under the orders of the Chief Engineer to keep the work of the Division going till the amalgamation had taken place, but subsequently the Division has been ordered to continue as a separate one and permanent Office Establishment has been sanctioned in G. O. No. 1189 W dated the 3rd June 1887. Four of the clerks who had held for sometime temporary appointments in the Division and whose age is somewhat over 25 years, it is now proposed to bring on to the permanent Establishment (sanctioned in the said G. O.) on the supposition that the ruling laid down in
