Sir,

I have the honor to report for the orders of Government, under Code para 464, that Contractor Muthu Velayudha Sadaskey is reported to have died in July 1887 and that a sum of Rs 1193-10-4 is due to his heirs on account of work done on the Malajah Tank. Raising the bund and repairing masonry works. Estimate Rs 5100

2. I was hitherto under the impression that the above code para is applicable only to cases of salary due to deceased persons; but the Examiner in his remarks

in

in the Audit Note on the accounts for August 1887 draws my attention to the above rule in respect to a sum of Rs 10 due to a deceased piece worker.

3 I have however directed the Sub Divisional Officer Chidambaram to inform the heirs of Muthu Velayudha Padachy to produce power of adminis- tration from the Court, and the Sub Engineer head quarters to obtain an affidavit of next- of kinship or of heirship in respect to the sum of Rupees 10 due in the latter case.

I have &c
