G. A. Public Works Department dated 5th May 1887 No 1234 communicating letter from the Superintending Engineer III Circle reporting that an expenditure of Rs 50,000 will so far advance the Cuddapah water supply project as to confer a real benefit on the Town.

Order thereon dated 20th May 1887 No 470 M. S.

Communicated to the Chairman Municipal Council, Cuddapah, who will take immediate steps for raising the loan of Rs 50,000 just sanctioned by the Government of India for carrying out the work.

2. Meanwhile the Public Works department will be requested to recommend a competent Engineer to be placed in charge of the work. The pay of this officer will be met from the provision of Rs. 5000 made for the purpose in the estimate.

To W's orders.

5000 Rs is the amount allowed for an officer to carry out the work -
Messrs Hindcock, Lowry & Co. are all employed as Const. Eng. in the P.W.D.
I do not know when Mr Hindcock will have finished his work at Combarconner; but I think he would be a suitable man to carry out this work - of which all the plans have been made -

The money has not been borrowed yet. This can be over until we hear a man is wanted, by that time probably Mr Hindcock will be available.
