W is displeased that the file has not been sent up, & desires explanation why, immediately report was received from Mr Harington for relief, a draft letter was not submitted, reporting the fact to G. of I.

There should be in E section a note of the G. of I. letter asking for the report, & that letter was not sent to you for note. He is to blame.

Please now send up file connected with letter from India No 695-99 11.4.87, & also the letter reporting Mr Harington's relief by Mr Target.

With draft telegram to India

C.A.W.

In the fortnightly statement of changes in the III Circle Establishment received here on the 21st June /87 there was an entry to the effect that Mr Harington had been relieved on the afternoon of the 10th June 1887.

This statement was sent to me without the file relating to Mr Harington and so I considered it was best to await the Supdg. Engr's special report to Government called for in G.O. No 1106. W of 22 April /87.

The fortnightly statement was sent on in original to the Examiner and therefore it was that I was unable to forward

it to you with my reply of the 27th June.

Special reports in these cases of temply: Engineers have always been insisted on and I intended therefore to await a week for the special report as I thought the delay would be inconsiderable as the report to the Govt: of India would as usual be telegraphed.

I am very sorry that my action has caused trouble and annoyance.

P. W. D.

To,

The Secy. to the Govt. of India.

P. W. D.

Sir,

Adverting to the correspondence noted in the margin, and to the contemplated transfer of Mr. Target for service in Burma, I am directed to request the sanction of the Govt. of India to the immediate appointment of a temporary Engineer on Rs 700, per mensem for charge of the Rammad Estate works which Mr. Target will have to relinquish.

* Vide letter from Govt of India No. 2026 G dy 12th Oct 1887.

P. P. T. 21 Oct

It has already been explained# to the Govt of India that the appointment may cease at any moment as the Court of Wards may resume their works, but it would be convenient if the sanction, which must have a definite duration, were accorded for a period of twelve months in the first instance. I am also to explain that as the Zemindari accounts are kept in Tamil, the language which is employed exclusively spoken, it is very desirable, if not essential, that the Engineer to be appointed should be acquainted with this Tamil language, and that he should also have had experience of Tank Irrigation.

2. The favor of a very early reply is requested.

Vide my letter No. 661 W dated 3rd March 1887

Orders must be issued for Mr. Target to join relieving Mr. Harington on Mr. de Winton's return from leave. Dispensing with Mr. H's services from that date of relief.

It is also ordered that Removed should be re-entitled a separate item henceforth dismissing the matter same footing as it was before the Direction

My dear Hasted

I don't see why Harington should not be left on for a time, on the understanding that he has received his notice. It will cost us nothing. Meanwhile we may know better how we stand & perhaps hit upon some plan in concert with the Court of Wards. Perhaps you

can look in for a few
minutes before at 11. I have to
go out shortly after.
