

No. 42140

Government of Madras.

PUBLIC WORKS DEPARTMENT,

Ahipah
Ootacamund, 21st Nov 1887.

OFFICE NOTE.

From

W.

To

b.

Under Code para 65, Messrs
Lambert and Young, recently
returned from furlough, will be
promoted to Ex. Engineers 4th
Grade, and the two junior
Assistant Engineers holding
temporary rank as Ex. Engos
4th Grade must revert.

Three young Cooper's Hill
Engineers have however arrived,
restoring our total number
of Engineers to 81. Under
Section 68 (b) of the Civil
Pension Code this

commences from 24th August 1886.

Vide Government of India

Classified List corrected up to

31st December 1886, and they

are entitled to Indian pay

from the 20th Oct. 1887, the

date of sailing from England.

Vide their letters of appointment.

It would appear therefore, that

from the 20th Oct. 1887, these

officers should be counted against

our scale of establishment, and

in this case the revision of

one of the Assistants now

holding temporary rank as

Ex: Engineer 4th Grade will

not be necessary.

Please favor me with your
opinion on this point.

Subject to confirmation

of the Government of India to the
adoption of the date of sailing
from England in future cases, the 20th
October 1887 (date of sailing) will
be admitted in the present case as
the date from which the revised
scale of Engineer Establishment
should be considered to have effect.
