From the Military Department, d/ 24 Nov 1887 No. 17365.

Order thereon 8 December 1887 No. 1284.

The Government cannot undertake to keep up an establishment merely because there is a quantity of obsolete and apparently unsaleable Ordnance machinery in the Storekeeper's care.

2. It will be considered in the Military Department what arrangements can be made for the outright sale of the articles in question.

3. Funds for the present establishment will not be provided after the end of the current official year, orders on the Budget-Estimate are therefore unnecessary.
