No. 528. *From Brigadier-General E. FAUNCE, Quarter Master General, Madras Army, to Brigadier-General A. KENNEY-HERBERT, Secretary to Government, Military Department; dated Ootacamund, 18th August 1887, No. 2919-A.*

In returning as requested the correspondence received under Reference G.O. No. 4898 of the 11th instant, I am desired to state, for the information of Government, that Non-commissioned Officers on the Unattached List are allowed furlough to Europe on medical certificate only (*vide* Para. 1675, Army Regulations, India, Vol. II, Part II), when they receive free passages Home, but there is no provision made anywhere for the grant of furlough on "private affairs" to them as to Regimental Non-commissioned Officers.

2. I am to add however that in letter No. 718-A of 17th March last to the Adjutant-General in India, the Government of India sanctioned the grant of furlough to a Sergeant Instructor of the Hyderabad Volunteer Corps on the same terms as to Regimental Non-commissioned Officers of the British Service, on the understanding that the State would be put to no extra expense thereby, so that apparently the Government of India is prepared to consider the claims of Non-commissioned Officers on the Unattached List to furlough to England on private affairs, though such leave is not provided for by existing regulations.

Furlough—Non-commissioned Officers.

In reply to your letter No. 5192, dated the 24th August 1887, I am directed to say, for the information of the Governor in Council, that the Government of India, having sanctioned the grant of furlough on private affairs to Non-commissioned Officers on the Unattached List in exceptional cases, are now pleased to also permit their being allowed non-regulation passages as sanctioned for Regimental Non-commissioned Officers of the British Service in Military Department No. 951-C, dated 1st September 1885.
